RE: Case No. 2022-00050
Jessamine-South Elkhorn Water District – Water System
Response to Staff Report of June 29, 2022

Dear Ms. Bridwell:

Jessamine-South Elkhorn Water District (the "District") submits the following comments concerning the Commission Staff Report dated June 29, 2022:

1. Although the District does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, the District does not wish to contest that adjustment in this case. The District's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.
2. The District concurs with the remainder of findings presented in the Staff Report.
3. The District acknowledges that it unintentionally failed to obtain Commission approval for both KIA Loans and both Central Bank loans due to a lack of awareness of its duty to do so at that time. The District states its intentions to fully cooperate with any investigation by the Public Service Commission in the matter of its unauthorized debts and to take all measures necessary to ensure that this failure does not occur again.
4. The District waives its right to request an informal conference or hearing in this case.

If you need any additional information from the District to expedite implementation of the new rates, please contact our office.

Sincerely,

James Hall
Chairman
