AMENDED VERIFIED APPLICATION

Pursuant to KRS 278.020(1) and 807 KAR 5:001, Section 15, South Eastern Water Association, Inc. (“SEWA”) files this Amended Verified Application and applies to the Public Service Commission (“Commission”) for an Order granting SEWA a Certificate of Public Convenience and Necessity (“CPCN”) to construct a customer service and operations facility (the “Project”) consisting of four (4) buildings at an estimated cost of \$2,115,864. No debt will be incurred. No rate increase will be necessary.

In support of its Amended Verified Application, SEWA states as follows:

1. On April 4, 2022, Commission Staff filed a letter in this proceeding stating that the original Verified Application SEWA tendered to the Commission on March 29, 2022 was deficient under 807 KAR 5:001, Section 15(2)(b) because it did

not provide “[c]opies of franchises or permits, if any, from the proper public authority for the proposed construction or extension, if not previously filed with the commission.”

2. In response, SEWA clarifies its original Verified Application by striking paragraph 39 in its entirety and replacing it with the following text:

39. Except for a Certificate of Public Convenience and Necessity, SEWA is not required to obtain any permits to construct the Project. Once the Commission grants SEWA the required Certificate of Public Convenience and Necessity, SEWA will execute a contract with D. C. Trimble, Inc, (the low bidder). Then, the contractor, not SEWA, will be required by Pulaski County to pay the required fee to obtain a building permit. The Project does not require a franchise.

3. With the exception of paragraph 39 as addressed above, SEWA incorporates by reference as if fully set forth herein the entirety of the original Verified Application (including all of its Exhibits) filed with the Commission on March 29, 2022.

WHEREFORE, South Eastern Water Association, Inc. requests that the Commission:

1. Grant SEWA a Certificate of Public Convenience and Necessity to construct the proposed Project;

2. Enter an Order granting the requested relief without holding an evidentiary hearing in this matter; and,

3. Grant any and all such other relief to which SEWA may be entitled.

Dated: April 5, 2022
