RE: *In the Matter of the Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Hardin County, Kentucky*; Case No. 2022-00066

Dear Ms. Bridwell:

Attached, please find a copy of Wade Family Farm Management, LLC's Initial Data Requests. These are being tendered subject to the Commission's ruling on the Wade Family Farm's pending motion for leave to intervene and the very tight schedule permitted by the procedural order for developing a record in this case. Please return stamped copies of this data request once it is accepted for filing. This will further certify that the attached document is a true and correct copy of the filing being made via the Commission's electronic filing system, that no parties have been excused from electronic service and that, pursuant to the Commission's prior Orders, no paper copy of this filing will be tendered to the Commission.

Please do not hesitate to contact me if you have any questions.

Sincerely,

David S. Samford
