Re: Electronic Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Hardin County, Kentucky – Case No. 2022-00066

Dear Ms. Bridwell:

Enclosed please find and accept for filing Kentucky Utilities Company's ("KU") Application for filing in the above referenced matter. In this Application, KU seeks a Certificate of Public Convenience and Necessity for the construction of two 345 kV electric transmission lines, two 138 kV electric transmission lines and two associated substations in Hardin County, Kentucky. The construction is to provide electrical service to the Glendale Megasite, where Ford Motor Company has proposed to construct two battery manufacturing plants and future development in the area.

Should you have any questions regarding the enclosed, please contact me at your convenience.

Sincerely,
