Re: Electronic Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity for the Construction of Transmission Facilities in Hardin County, Kentucky – Case No. 2022-00066

Dear Ms. Bridwell:

Pursuant to Ordering Paragraph 5 of the Commission's July 28, 2022 Order, Kentucky Utilities Company ("KU") hereby files notice of two agreements with landowners whereby KU agreed to move the transmission line at the landowners' request. The attached Easements, which are publicly filed and available via the Hardin County Clerk's office, evidence the parties' agreements. Both relocations are greater than fifty (50) feet but less than five hundred (500) feet from the centerline in the approved route. No new property owners are affected.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on October 5, 2022 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Should you have any questions regarding the enclosed, please contact me at your convenience.

Sincerely,

Michael E. Hornung
