DEFINITION OF DOBSON OWNERSHIP GROUP & REPRESENTATION

In response to a Motion for Leave to Intervene filed by Stephen Dobson, The Kentucky Public Service Commission stated that the Dobson Group was not an entity and that no person that is not a licensed attorney can represent other parties.

I, Stephen Dobson first would like to apologize for any misunderstanding as I had no intent to act as an attorney or lead any parties to believe that I am an attorney.

Some points of clarification, I believe, will resolve these matters. The "Dobson Group" was not represented to be a legal entity as no Corporation, LLC or other defined legal language was used to imply that the Dobson Group was an entity. The Dobson Group language was used as a defined term to refer collectively to a group of property owners with interest in the same property, namely Parcel ID 207-00-00-030. We believe that this complies with the Commission's direction pursuant to the Commission's July 22, 2021 Order in Case Number 2020-00085 regarding filings with the Commission. In summary, that directive encourages convenience and reduces duplicity and the Commission states that it encourages each person to make a joint filing, when possible.

The use of the Dobson Group was intended to be used to facilitate a joint filing of a Motion for Leave to Intervene and designate Steve Dobson as an advisor and spokesperson for the group.

As another point of clarification, I have not intended to represent myself as an attorney and I am not accepting payment for any representation. I am representing my family as an advisor and spokesperson and, to my knowledge, have every right to do so based on the fact that Deanna Dobson is my spouse with joint ownership and Raymond and Betty Dobson are my parents with joint ownership and have requested that I represent them in this matter as I do in many matters with Powers of Attorney.

I thank the Commission for accepting our Motion for Leave to Intervene and appreciate your granting me the opportunity to speak before the Commission as a property owner.

As requested by the Commission, the following property owners hereby certify that they are filing jointly in matters related to Kentucky Public Service Commission Case Number 2022-00066.
