PSC CASE NO. 2022-00067
FIRST REQUEST FOR INFORMATION RESPONSE**

COMMISSION STAFF'S REQUEST FOR INFORMATION DATED 7/28/2022

RESPONSIBLE PERSON: Sarah Price

COMPANY: Bath County Water District

REQUEST 1: Provide the date that Bath County Water District began working on the application for an alternative rate adjustment pursuant to 807 KAR 5:076.

RESPONSE 1: June 27th, 2022.

REQUEST 2: Provide in detail the amount of progress made on the application prior to engaging Kentucky Engineering Group to assist in preparing the rate case.

RESPONSE 2: On April 25th, 2022 Bath County Water District began an application for a Kentucky Infrastructure Authority KIA loan with the assistance of Gateway Area Development District GADD. It was mine and the District's understanding that the financial analysis performed by GADD for the KIA loan would be adequate for use in the application for alternative rate adjustment. However, over the course of the next month GADD made no progress and there was no clear answer as to when the financial analysis would be complete. At the next meeting, May 23rd, the District instructed me to seek another resource to assist with the application. At the following meeting, June 27th, Kentucky Engineering Group was hired.

REQUEST 3: Provide the date that Bath District first contacted Kentucky Engineering Group to assist with the application.

RESPONSE 3: Bath County Water District first contacted Kentucky Engineering Group on June 27th, 2022 to assist with the application.

REQUEST 4: Provide the date that the former Bath District General Manager retired.

RESPONSE 4: The former Bath County Water District Manager retired May 31, 2022.

REQUEST 5: Provide the date that the new Bath District General Manager was hired.

RESPONSE 5: The current Bath County Water District Manager, Sarah Price, was hired January 13th, 2022.
