**Re: Case No. 2022-00084**

In the Matter of the Electronic Application of Duke Energy Kentucky, Inc. for a Certificate of Public Convenience and Necessity Authorizing the Phase One Replacement of the AM07 Pipeline

Dear Ms. Bridwell:

In accordance with the Commission's May 2, 2022 Order in this proceeding, Duke Energy Kentucky, Inc. (Duke Energy Kentucky or Company) respectfully requests that the matter be submitted for decision based upon the existing evidentiary record. The deadline for discovery and for intervention has now passed with no interventions to date. Duke Energy Kentucky does not believe there is a need to conduct an evidentiary hearing in this proceeding and believes that the matter can now be decided by the Commission.

In accordance with 807 KAR 5:001, I certify that the electronically filed document is a true and accurate copy of the original document. The Company will retain the original filing in paper medium as the requirement to file it with the Commission was permanently granted a deviation in Case No. 2020-00085.

Please feel free to contact me should you have any questions concerning this matter.

Sincerely,
