In the Matter of:

<i>Electronic</i> Application of Telesto Energy)	
Project LLC for Certificate of Construction for)	
an approximately 110 Megawatt Merchant)	Case No.
Electric Solar Generating Facility in Hardin)	2022-00096
County, Kentucky)	

Telesto’s Motion for an Informal Conference

Telesto Energy Project LLC (“Telesto”) respectfully requests an informal conference with the Public Service Commission (“PSC”) staff providing administrative support to the Kentucky State Board on Electric Generation and Transmission Siting (“Siting Board”) in advance of filing the intended Application in order to discuss steps it might take to make the Siting Board’s consideration of the request for a construction certificate as efficient and expeditious as possible, given the resources available and statutory mandates and deadlines. Telesto suggests that an hour should be sufficient time and requests that the conference be held next week (May 9-13). It will make its representatives available during the PSC’s workday, when staff can gather for the requested conference. Please contact Telesto’s counsel with any scheduling questions.

Respectfully submitted,

/s/ Katherine K. Yunker
