Re: ESB Case No. 2022-00096 (solar facility, Hardin County);
Read1st document for Application and accompanying documents

Dear Ms. Bridwell:

The applicant, Telesto Energy Project LLC, through counsel, submits this cover letter for its electronic filing in this case, serving as the Read1st introductory file for the following documents which comprise its Application for a certificate of construction for an approximately 110 megawatt merchant electric solar generating facility in Hardin County:

- Table of Contents
- Application, with index of regulatory requirements
- Exhibits A-N

In reliance on the Commission's Order entered July 22, 2021, in Case No. 2020- 00085, granting universal, permanent deviation from the paper-filing requirement, counsel will not provide one copy of this filing to the Commission in paper medium. In accordance with 807 KAR 5:001 § 8, filing counsel certifies that the electronically filed documents are a true representation of the same documents in paper medium, that all materials in the paper documents are included in the electronic filing, and that no party has been excused from electronic filing procedures or participation in electronic service.

Sincerely,

/s/ Katherine K. Yunker
