**MOTION FOR IN PERSON AND VIRTUAL HEARING PARTICIPATION**

Comes now Telesto Energy Project LLC (“Telesto”), by counsel, and respectfully moves the Kentucky State Board on Electric Generation and Transmission Siting (“Siting Board”) to allow a hybrid form of participation, both virtual and in-person, for Telesto witnesses participating in the November 1, 2022, hearing. Telesto is still finalizing its list of witnesses who will appear in the hearing, but requests that Yosef Shirazi, PhD, Senior Economist at Cardno Inc. now Stantec, be allowed to participate virtually. The remaining witnesses for Telesto and all counsel shall participate in person. The virtual attendance of the identified witness will not prejudice the Siting Board and no other parties have moved for or been granted intervenor status. The witness identified here is equipped with the necessary technology to participate remotely.
