FILE RESPONSE TO PSC's 1ST REQUEST FOR INFORMATION

Comes Southern Water and Sewer District "Southern", by and through counsel, and for its motion for an additional fourteen (14) days to respond to the PSC Commission Staff's First Request for Information states as follows;

Southern has employed the Kentucky Rural Water Association to assist in preparing this Case. It has come to the attention of the undersigned that Southern will not be able to meet its deadline to respond to the PSC's First Request for Information. Although the undersigned, Kentucky Rural Water Association and Southern's employees and accountant have made a good faith effort to gather the information requested in said data request, Southern will not be able to file its response by the deadline of May 31, 2022.
