DELTA NATURAL GAS COMPANY, INC.'S
MOTION FOR INFORMAL CONFERENCE

Delta Natural Gas Company, Inc. (“Delta”) respectfully requests the Commission to schedule an informal conference in this proceeding. On April 19, 2022, through communications with Commission Staff, Delta learned that it has interpreted the Commission’s January 3, 2022 Order in Case No. 2021-00185 regarding unification of Delta’s and Peoples Gas KY LLC’s GCRs differently than Commission Staff.

Specifically, Delta understood that the Commission had accepted its proposed process and timeline for unification, which consisted of unifying the Expected Gas Costs in this proceeding while keeping the Actual Adjustment and Balancing Adjustment separate until October 2022. Commission Staff has indicated that the Commission instead ordered that the Actual Adjustment and Balancing Adjustment would not be included for recovery, even separately between Delta and Peoples, until October 2022. Due to rising costs in the natural gas market, defraying consideration of the Actual Adjustment and Balancing Adjustment until October will negatively affect Delta and its customers through reduced cash flow to Delta and sharper rate increases in fall 2022 when the heating season begins.

For these reasons, Delta respectfully requests an informal conference to clarify the GCR unification process.
