RE: Case No. 2022-00117  
Bronston Water Association  
Response to Staff Report of August 24, 2022

Dear Ms. Bridwell:

Bronston Water Association (the "Association") submits the following comments concerning the Commission Staff Report dated August 24, 2022:

1. Although the Association does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, the Association does not wish to contest that adjustment in this case. The Association's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the Association's right to contest a similar finding or recommendation in a future rate proceeding. The Association expressly reserves its right to do so.
2. The Association concurs with the remainder of findings presented in the Staff Report.
3. The Association waives its right to request an informal conference or hearing in this case.

If you need any additional information from the Association to expedite implementation of the new rates, please contact our office.

Sincerely,

Eric Keith  
President
