**RE: *Electronic Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company to Enhance the Budget of an Existing Demand-Side Management and Energy Efficiency Program***  
**Case No. 2022-00123**

Dear Ms. Bridwell:

On April 29, 2022, Kentucky Utilities Company (“KU”) and Louisville Gas and Electric Company (“LG&E”) (collectively, the “Companies”) filed an application with the Kentucky Public Service Commission (“Commission”) in the above-referenced matter requesting, in pertinent part, approval to place certain rates into effect for beginning with service rendered on May 29, 2022, for the Companies’ DSM Cost Recovery Riders.<sup>1</sup>

On May 20, 2022, the Commission issued a final Order approving the Companies’ requested rates. But the Order’s Appendix A lists rate changes for KU’s Rates TODS, TODP, RTS, FLS, OSL at the bottom of page 1 and continuing onto page 2, whereas the Companies had requested that those rate changes apply to those rates and KU’s Rate PS.<sup>2</sup> All other rates the Commission approved in Order Appendices A and B are correct.

KU believes the omission of Rate PS from Order Appendix A was a clerical error, and the heading in Order Appendix A that reads “Rates TODS, TODP, RTS, FLS, OSL” should be modified to read, “Rates PS, TODS, TODP, RTS, FLS, OSL.”

KU respectfully requests that the Commission issue a *nunc pro tunc* order, correcting the reference in Order Appendix A cited above. It is well settled that the Commission has authority

to correct clerical errors in its orders, so long as the mistake is plainly shown in the record.<sup>3</sup> The record in this case shows the omission of a reference to “PS” in Order Appendix A is an inadvertent clerical error, and the text in Order Appendix A that currently says, “Rates TODS, TODP, RTS, FLS, OSL,” should say, “Rates PS, TODS, TODP, RTS, FLS, OSL.”

In accordance with the Commission’s Order of July 22, 2021 in Case No. 2020-00085 (Electronic Emergency Docket Related to the Novel Coronavirus COVID-19), this is to certify that the electronic filing has been transmitted to the Commission on May 23, 2022; and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Yours very truly,
