**RE: Case No. 2033-00126
In the Matter of the Electronic Tariff Filing of the Utility
Commission of the City of London Revising Its
Wholesale Wastewater Service Rates**

Public Service Commission Staff:

In accordance with the Commission's March 23, 2022 Order in this proceeding, the City of London Utility Commission respectfully requests that the matter be submitted for decision based upon the existing evidentiary record. The deadline for intervention has now passed. To date there have been no interventions. Therefore, the remaining dates on the existing procedural schedule appear to be moot. As such, City of London Utility Commission does not believe there is a need to conduct an evidentiary hearing in this proceeding and that the matter can now be decided by the Commission. If the Commission determines an evidentiary hearing is necessary, the City of London Utility Commission will accommodate the request. Please feel free to contact me should you have any questions concerning this matter.

Sincerely,
