RE: Sebree Solar II, LLC

Dear Judge Schneider:

As you are aware, Sebree Solar II, LLC (“Sebree II”) has been working to develop a 150 megawatt, solar-powered electric generating facility in the Henderson County community. We are grateful for the time and attention you have given Sebree II and its representatives as they have visited the community over the past several months. An incredible amount of work has been done to bring this project to fruition.

We are excited to be able to give you an update on our progress and to inform you that a key milestone has been achieved. Today, Sebree II is tendering its application for a construction certificate to the Kentucky State Board on Electric Generation and Transmission Siting (“Siting Board”). The case is docketed as Case No. 2022-00131 and may be accessed through the website of the Kentucky Public Service Commission at [www.psc.ky.gov](http://www.psc.ky.gov). In accordance with KRS 278.706(2)(h), we are very pleased to give you notice of this filing with the Siting Board and to present you with a copy of the application for your review.

Again, let me thank you for your time and reiterate Sebree II’s continuing desire to be a constructive partner in advancing the long-term interests of your community in the years ahead. Should you have any questions concerning the Sebree II project, please feel free to reach out to myself or Jason Andrews, Sebree II’s project manager, at (561) 365-5956.

Sincerely,
