

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION
CASE NO. 22-00133

Electronically filed.

This document serves as the Read1st file pursuant to 807 KAR 5:001, Section 8(5)

General Description of Filing

AMENDED COMPLAINT AND REQUEST FOR ONE DAY ENLARGEMENT OF TIME

Comes the Complainant, Biofuel Mining, Inc., by counsel, and respectfully requests one (1) additional day including today, 5/17/22, to submit its Amended Complaint. In support of its request, Biofuel would show the Court that counsel was out of the office for meetings all day, and that counsel's assistant was unexpectedly and unavoidably absent. Counsel expected the Answer to be filed, but as nobody was in the office, did not know it had not been. While timely filing is the responsibility of counsel, counsel would show that no prejudice to Defendant will result from the one day extension.

Attestation

This electronically filed document is a faithful and true representation of the original paper documents.
