RE: Case No. 2022-00136
Breathitt County Water District
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Breathitt County Water District's application for an adjustment to its water rates. This ARF Application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2020 as the test year with appropriate adjustments to normalize revenues and expenses. Although Breathitt Water District has calculated a 57.66% increase, they are only requesting to raise rates by 10%. A 57.66% increase would be unduly burdensome to the customers of Breathitt County Water District at a time when many in the county are struggling financially.

The Attorney General's Office of Rate Intervention has been provided a copy of this application by electronic mail.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Thorpe".
