RE: Case No. 2022-00136  
Breathitt County Water District  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

Breathitt County Water District received a Deficiency Letter dated June 20, 2022 for its recent Alternative Rate Filing Application. The letter allowed ten days to correct the deficiency. Breathitt County Water District is working with their consultant that prepared the rate application to determine how quickly a new rate study can be completed.

Breathitt County Water District requests an extension of time in which to respond to the deficiency in order to ascertain how soon the new rate study may be completed.

Sincerely,

A handwritten signature in black ink, appearing to read "B Thorpe".
