City of Manchester’s Motion for Extension of Time to file response to commission staff’s second request for information to the city of Manchester

Comes, City of Manchester Kentucky (“Manchester”), by and through counsel, for a Motion for an Extension of Time to File a Response to the Commission Staff’s Second Request for Information to City of Manchester. As grounds for this motion Manchester states that on July 29th, 2022, Clay County Kentucky experienced torrential rain that caused devastating flooding. Due to this flooding Governor Beshear declared a State of Emergency. The flooding has damaged much of the water works serviced by the City of Manchester causing a strain on staff.

For foregoing reasons Manchester requests until August 19th, 2022 to file a Response to Commission Staff’s Second Request for Information.

Respectfully submitted,
