

Case No. 2022-00147  
Water Service Corporation of Kentucky  
Responses to Commission Staff's Fourth Request for Information

**PSC DR 4-1:**

Refer to Water Service Kentucky's response to Commission Staff's First Request for Information (Staff's First Request), Item 6.a.

a. Provide the updated Cost-Benefit Analysis prepared by Vaughn & Melton for Water Service Kentucky in an Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

b. Provide the workpapers used by Vaughn & Melton to develop the updated Cost-Benefit Analysis in an Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

**Response:** WSCK presumes the cross-reference in this question should refer to Staff's Third Request for Information. WSCK objects to the extent this question is asking for the entirety of the 2022 AMR/AMI Cost-Benefit Analysis, August 2022 Revised, in an Excel spreadsheet. The entirety of the document does not exist in an Excel spreadsheet. Virtually all calculations in the report are thoroughly explained within the report, and supporting documents and further explanation has been provided in response to PSC DR 3-06. Please see Excel file PSC DR 4-1 V&M worksheet.xlsx for the calculation of Table A-1.

temporary vacancy, it will be renewed after the acceptance of a new application and when the conditions, circumstances or practices which caused the water service to be discontinued are corrected to the satisfaction of the Company. The Company will then reconnect existing service within twenty-four (24) hours, and shall install and connect new service within seventy-two (72) hours.

16. TURN-ON CHARGE

(a) When it has been necessary to discontinue water service to any premises because of a violation of the Rules and Regulations or on account of the non-payment of any bill; a charge will be made to cover the expense of turning on water, and this charge together with any arrears that may be due the Company for charges against the Customer must be paid before the water will again be turned on.

(b) If at the time of such discontinuance of service, the Customer does not have a deposit with the Company, the Company may require a deposit as a guarantee of the payment of future bills before the water will be turned on.

17. BILLS FOR WATER SERVICE:

(a) Customers are responsible for furnishing the Company with their correct address. Failure to receive bills will not be considered an excuse for non-payment nor permit an extension of the date when the account would be considered delinquent
