Re: Case No. 2022-00152  
Application of North Shelby Water Company for a Certificate of Public  
Convenience and Necessity to Construct a Replacement Water Tower

Dear Ms. Bridwell:

Submitted with this filing is the Application of North Shelby Water Company for a Certificate of Public Convenience and Necessity to Construct a Replacement Water Tower. North Shelby is applying for a Certificate of Public Convenience and Necessity, permitting the Applicant to construct a water-works construction project consisting of improvements to the existing waterworks system of the Applicant. Included with Exhibit D to the application is a recorded plat of the tract where the water tower will be constructed (Parcel B). As you can see, it is adjacent to the tract where the old water tower will be removed.

Thank you.

Sincerely,

RIGGS PIPPIN & BULLOCK, PSC
