RE: Case No. 2022-00160
Union County Water District
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

Union County Water District received a Deficiency Letter dated June 6, 2022 for its recent Alternative Rate Filing application. The letter allowed ten days to correct the deficiency. Union County Water District staff has been working diligently with the rate consultant to update the application. However, a recent death in the family of a critical District staff person has unexpectedly delayed our ability to respond by the stated deadline of June 16, 2022.

Union County Water District respectfully requests an extension until June 23, 2022 to remediate the deficiency.

Sincerely, *Gary Sheffer*
