MOTION FOR EXTENSION TO FILE RATE INCREASE

COMES NOW THE PETITIONER, by counsel, and for its MOTION FOR EXTENSION TO FILE RATE INCREASE and states as follows:

Kirksville Water Association is compiling the necessary revenue calculations to submit an adjusted rate case. It is anticipated the adjusted rate case will be submitted before the end of July. Counsel is aware of the Commission’s concern that adequate time was provided to have submitted the rate case by June 30th, 2023 in compliance with the order and takes full responsibility for the failure to have the case timely submitted. The Board of Kirksville Water Association relied upon counsel to have submitted the rate case properly. Counsel apologizes to the Commission for this failure and will endeavor to move with priority from this point forward.

Respectfully submitted,
