Re: ***In the Matter of: Electronic Application of Big Rivers Electric Corporation for Authority to Establish a Regulatory Asset for Expenses Related to Coal Combustions Residuals Rule-Case No. 2022-00201***

Dear Ms. Bridwell:

On July 19, 2022, Big Rivers Electric Corporation (“*Big Rivers*”) electronically filed an application seeking authorization to establish a regulatory asset to defer certain expenses Big Rivers has incurred and will continue to incur to comply with the U.S. Environmental Protection Agency’s published Disposal of Coal Combustion Residuals from Electric Utilities Rule. The two exhibits referenced in the application were inadvertently omitted.

Big Rivers is electronically filing the following materials:

1. This letter, which constitutes the Read1st file required by 807 KAR 5:001 Section 8(5); and
2. Exhibits 1 and 2 to Big Rivers’ application in this matter.

The Commission has excused no parties to this proceeding from its electronic filing procedures.
