**BEFORE THE PUBLIC SERVICE COMMISSION**

**In the Matter of:**

ELECTRONIC APPLICATION OF NORTHERN KENTUCKY )  
WATER DISTRICT FOR A CERTIFICATE OF PUBLIC ) **CASE NO. 2022-00209**  
CONVENIENCE AND NECESSITY CONSTRUCT A 36" )  
LICKING RIVER CROSSING AND APPROVAL OF FINANCING )

**MOTION FOR EXPEDITED RULING**

Northern Kentucky Water District (“NKWD”), by and through counsel, moves the Commission to grant an expedited ruling in this case. As grounds for this Motion, NKWD submitted its application on July 22, 2022 and the bids for the 36” Licking River crossing construction project were initially set to expire on or about September 14, 2022. After discussion with the low bidder, MAC Construction & Excavating Inc., a 30-day extension was agreed to which is set to expire on or about October 14, 2022.

NKWD is concerned that MAC Construction & Excavating Inc. may not offer further extension of the bid due to expected increases in construction costs. The bid of MAC Construction & Excavating Inc. is significantly lower (\$1,782,843.75) less than any other bidder. It is in the best interest of NKWD’s customers if the construction is completed by MAC Construction & Excavating at its original bid price.

For to these reasons, NKWD respectfully requests that the Commission issue a ruling at its earliest opportunity granting the Certificate of Convenience and Necessity construct the 36” Licking River crossing.

RESPECTFULLY SUBMITTED:
