COMMISSIONERS OF GREEN RIVER)	
VALLEY WATER DISTRICT)	

MOTION TO CLOSE PROCEEDING

Pursuant to 807 KAR 5:001, Section 5, Green River Valley Water District moves for an Order closing this proceeding. In support of its Motion, Green River Valley Water District states:

1. On July 15, 2022, the Public Service Commission initiated this proceeding to determine if vacancies presently exist on Green River Valley Water District's Board of Commissioners and, if such vacancies exist, to identify qualified candidates to fill those vacancies.

2. In its Order of July 15, 2022, the Public Service Commission specifically identified the positions of Commissioners Debbie Fowler and Leland Glass as having become vacant as a result of term expirations.

3. On July 19, 2022 and on July 27, 2022, Green River Valley Water District provided evidence to the Public Service Commission that Commissioners Fowler and Glass had been reappointed to their offices within the statutorily permissible time period. It further provided evidence that the remaining three members of Green River Valley Water District's Board of Commissioners had been timely appointed and are properly serving as members of that Board.

4. As no vacancies currently exist on Green River Valley Water District's Board of Commissioners, no basis exists for continuing this proceeding.

WHEREFORE, Green River Valley Water District respectfully requests that the Public Service Commission close this proceeding.

Dated: July 27, 2022

Respectfully submitted,
