COURT APPROVES MINUTES

On a motion made by Ricky Alvey and seconded by Doug Wells, ordered by the court to approve minutes for February 10, 2022. Vote 6/0, Motion Carried

CITIZENS REQUEST: Judge/Executive, Joe Choate addressed the court in reference to the outdoor warning sirens. He first responded to the post on social media. Judge/Executive Choate made it clear that himself and the magistrates have an open-door policy, and, in his opinion, a face-to-face meeting is always better than posting non-confirmed comments on social media. He advised he was not there to point fingers at anyone for the reason the sirens were not activated during the December 11, 2021, tornado, but that the majority of the sirens worked when tested a week later. He stated Hart County was fortunate to have had no deaths or serious injuries and was proud how all the citizens came together to help each other. Judge/Executive Joe Choate stated through this disaster the court had learned the outdoor sirens need to be on a routine maintenance schedule. The county has contracted to have a service provider to trouble shoot the sirens and give estimates of repairs and the county will come up with a maintenance schedule of the county owned outdoor warning sirens. He closed stating the outdoor warning sirens should not be your only form of severe weather warnings since the sirens are only heard clearly outside and approximately only 1.2 miles from the siren site. NOAA weather radios, local TV/weather stations, wireless notification alerts, weather apps along with friends and family are other notification options that should be used. Judge/Exec Joe Choate stated you cannot just rely on just one form of notification and the Hart County Fiscal Court is exploring several forms of severe weather alert notifications, storm shelters and funding for these projects. Lt. Baker from the KSP, fire fighters and several citizens were in attendance to discuss the concern.

REPORTS

Jail Report: Israel Bergenson reported that there was Class D-44, Class C-42, Alternative Sentence-3, Control Intake-16, Parole Violators-4, Federal Inmates-1, PTS-5, Edmonson County-36, and Hart County-38. 189 total inmates, 151 paying inmates. It was also advised that March 24, 2022, at 8:00am at the Hart County Jail, there would be a "note burning" ceremony in honor of the Hart County Jail note being paid in full. Page 235

Sheriff Department Report: Jeff Wilson, Sheriff, reported House Bill 63 was expected to pass this year which will require all school systems to have a full-time School Resource Officer in each school by August 2022. Hart County School Superintendent, Nathan Smith had committed to fund one additional officer. Discussion would be held at a later date for additional funding. Adam Maulden will be joining the Hart County Sheriff Department April 1, 2022, and will attend DOCJT training and will be a School Resource Officer Page 235

Road Department: Brian Weber, Supervisor advised the road crew had been preparing the roads that are to be blacktop with 2022 flex funding monies.
