RE: PSC Case No. 2022-00225  
Response to Filing Deficiency

Dear Ms. Bridwell:

In your letter dated July 26, 2022, it is stated that our Purchase Water Adjustment Application filing was rejected because the *“Issued Public Notice does not contain the effective date.”*

We have reviewed the application as originally submitted and ask that you please review the first sentence of Exhibit E - Notice to Customers, which reads as follows: *“Notice is hereby given that because of an increase in the cost of water purchased from the Shelbyville Municipal Water & Sewer Commission, the North Shelby Water Company will increase its rates for services effective July 19, 2022.”*

Should you have any questions please contact Lee Mudd at (502) 839-1310, as he is handling this matter on behalf of the Company.

Sincerely,

Bryan Franklin, President
