Company For A Certificate Of Public Convenience)	
And Necessity To Construct 69 kV Transmission)	Case No. 2022-00236
Lines And Associated Facilities In Pike County,)	
Kentucky (“Belfry Area Transmission Line Project”))	

Notice of Filing Proof of Notice by Mail and Hand-Delivery

Kentucky Power Company gives notice of its filing of the following documents in conformity with 807 KAR 5:001, Section 9(2)(b) and the Commission’s October 3, 2022 Order in this case:

(a) The October 17, 2022 Verified Statement of Vickie L. Stone, Transmission Right of Way Agent Lead, Kentucky Power Company, verifying that the Company mailed written notice of the time and place of the October 25, 2022 local public hearing to each of the property owners, including Pauline Stump and Charles Stump, directly affected by the proposed transmission line route and associated projects on October 10, 2022; and

(b) The October 13, 2022 Verified Statement of Bob Shurtleff, External Affairs Manager, Kentucky Power Company, verifying that the Company hand-delivered written notice of the time and place of the October 25, 2022 local public hearing to the Pike County Judge Executive on October 10, 2022.

Respectfully submitted,

Verified Statement Of Notice By Mail In Accordance With 807 KAR 5:001, Section 9(b)

Vickie L. Stone, Transmission Right of Way Agent Lead, Kentucky Power Company,
being duly sworn, states as follows:

1. The statements contained in this verification are based upon my personal knowledge, or my review of the records of Kentucky Power Company within the purview of my duties for the Company, or otherwise available to me.
2. The records of the Property Valuation Administrator of Pike County, Kentucky, subject to the corrections and updates described in paragraph 3 below, indicate the 400-foot corridor (including the currently proposed right-of-way) for Kentucky Power Company's Belfry Area Transmission Line Project will cross property owned by the persons listed on Exhibit A to this verification.
3. Certain of the addresses obtained from the records of the Property Valuation Administrator of Pike County, Kentucky were determined through earlier mailings or other landowner contact efforts to be incorrect or otherwise undeliverable. Where the Company was able to determine the correct mailing addresses through landowner communication or other research, Kentucky Power used the updated addresses to ensure the landowners received the required notice.

Subject: Belfry Area Transmission Line Project - Notice of Local Public Hearing

Dear Neighbor,

You are receiving this letter because you own property or live in the area where Kentucky Power representatives plan to upgrade the local power grid as part of the Belfry Area Transmission Line Project. The Kentucky Public Service Commission invites you to learn more and provide comments about the project at a local public hearing. The meeting allows landowners to review project materials and discuss the proposed upgrades with the project team.

NOTICE OF LOCAL PUBLIC HEARING

Notice is hereby given that the Kentucky Public Service Commission (the "Commission") will conduct a local public hearing for the purpose of taking public comment in Case No. 2022-00236 related to Kentucky Power Company's application for a Certificate of Public Convenience and Necessity to construct 6.5 miles of 69-kilovolt (kV) Transmission Line and associated projects in Pike County, Kentucky ("Belfry Area Transmission Line Project").

Tuesday, October 25 at 4 p.m. Eastern Daylight Time
Pike County Courthouse, Second Floor
146 Main Street, Pikeville, Kentucky 41501

The Belfry Area Transmission Line Project in Pike County involves:

- Building 6.5 miles of 69-kV transmission line
- Retiring 8.2 miles of 46-kV transmission line
- Building the Orinoco Substation
- Retiring the Belfry Substation

These upgrades reduce the need for frequent equipment maintenance and provide a second source of power to customers served by the New Camp Substation.

We welcome and encourage your attendance at the public hearing. Visit KentuckyPower.com/Belfry to learn more.

Sincerely,

A handwritten signature in cursive script that reads "Cortney Mustard".

RE: Notice of Local Public Hearing Concerning Kentucky Power Company's Application for Approval to Construct the Belfry Area Transmission Line Project.

Dear Judge Executive Jones,

On September 8, 2022, Kentucky Power Company ("Kentucky Power" or the "Company") filed an application with the Public Service Commission of Kentucky ("Commission") in Case No. 2022-00236 for a Certificate of Public Convenience and Necessity to construct 69 kV transmission lines and associated facilities in Pike County, Kentucky, also known as the Belfry Area Transmission Line Project.

Please be advised that the Commission has set a local public hearing for the purpose of taking public comment on Kentucky Power's application to be held on October 25, 2022, at the Pike County Courthouse, Second Floor, 146 Main Street, Pikeville, Kentucky 41501, beginning at 4:00 p.m. Eastern Daylight Time. The Commission's order required that Kentucky Power provide you with notice of this local public hearing. Enclosed please find a copy of the notice to be mailed by Kentucky Power to each property owner directly affected by the proposed transmission line route and associated projects informing them of the local public hearing. Kentucky Power has also requested that the notice be published in the Appalachian News Express the week of October 10, 2022. Additional information regarding the Company's application can be found under Case No. 2022-00236 on the Commission's website: www.psc.ky.gov.

Please contact me should you have any questions regarding this matter.

A handwritten signature in black ink that reads 'Bob Shurtleff'.
