Motion to Reschedule Hearing

East Kentucky Midstream, LLC (“EKM”), by counsel, respectfully moves the Public Service Commission (“Commission”) for an Order rescheduling the hearing in this matter. In support of this Motion, EKM states the following:

1. The hearing date in the matter is currently set for February 20-21, 2025, pursuant to the Commission’s Order of December 4, 2024.
2. EKM counsel, Katie Yunker, has a prior, unavoidable scheduling conflict that week of February 17th requiring her to be out of the Commonwealth.
3. EKM has discussed this matter with counsel for the interested parties, Kentucky Frontier Gas and the Office of Attorney General. They do not object to moving the hearing date and agree that the week of March 24, 2025, would accommodate other schedules.
4. A hearing the week of March 24, 2025, as opposed to February would reduce the risk that adverse weather conditions such as severe cold temperatures would disrupt this proceeding by requiring emergency response activities on the natural gas system in question.

WHEREFORE, EKM requests that the Commission enter an Order rescheduling the February 20, 2024, hearing to a date convenient for the Commission the week of March 24, 2025.

Respectfully submitted,

/s/ Jason R. Bentley
