**Request**

1. Please provide the amount of local production being sold into the interstate market at Means by month beginning in January 2023 through April 2025.
- 

**Response**

Please refer to the Response to PH PSC 04.

**Request**

2. Please provide the amount of local production being sold into the interstate market at Van Lear into P-20 by month beginning in January 2023 through April 2025.
- 

**Response**

Please refer to Column F of the spreadsheets attached to the Response to PSC PH 03.

During months in which there were zero sales at Van Lear:

- all production gas was consumed locally on EKM's system; and
- some producers chose to shut in production due to depressed gas prices.

**Request**

3. Provide the amount of local production purchased from producers by month beginning in January 2023 through April 2025.
- 

**Response**

Please refer to Column C of the spreadsheets attached to the Response to PSC PH 03.

**Request**

4. Provide the top ten producers for January 2023 through April 2025 and their total volume for that time period.
- 

**Response**

The production volumes for producers and wells on EKM's system are publicly available, downloadable from the Kentucky Energy and Environment Cabinet's Production Reports Library – at <https://eec.ky.gov/Natural-Resources/Oil-and-Gas/Resources/Pages/Production-Reports.aspx> (last visited June 10, 2025). Note, pursuant to KRS 353.205, production information is held as confidential by the Cabinet for the following calendar year.

**Request**

5. Provide the amount of natural gas purchased from TC Energy at Means by month for the time period of January 2022 through April 2025.
- 

**Response**

Please refer to Column B of the spreadsheets attached to the Response to PH PSC 03.
