Following the procedures for filing confidential information set forth in 807 KAR 5:001, Section 13, provide a list of producers by county and indicate the location and line that the supply enters the system. Additionally, provide the amount of gas that has been purchased from each producer on the system annually since acquisition.

CORRECTION: *EKM hereby corrects errors as to the county and line interconnect in the penultimate row of the producer listing table, and a mistaken cross-reference. EKM first presents the Response filed 11/16/22 and then a Corrected Response.*
