Subject: Wholesale Water Rate Adjustment

Mr. Waits,

The City of Nicholasville Water Department has seen an increase in operational costs since our last non-“passthrough” rate adjustment in 2013 and requires a rate adjustment to cover those costs.

Please find attached an official notice of intent to file for a rate adjustment with the Public Service Commission, and the proposed tariff sheet.

If you have any questions, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Robert A. Amato". The signature is written in a cursive style with a blue ink color.
