In the Matter of:

ELECTRONIC APPLICATION OF)
HUMMINGBIRD ENERGY LLC FOR A)
CERTIFICATE OF CONSTRUCTION)
FOR AN APPROXIMATELY 200)
MEGAWATT MERCHANT ELECTRIC)
SOLAR GENERATING FACILITY AND)
NONREGULATED ELECTRIC)
TRANSMISSION LINE IN FLEMING)
COUNTY, KENTUCKY PURSUANT TO)
KRS 278.700 AND 807 KAR 5:110)

Case No. 2022-00272

WITNESS LIST

Comes now Hummingbird Energy LLC (“Hummingbird”), by and through counsel, pursuant to 807 KAR 5:110, Section 6 and other applicable law, and does hereby give notice of its intent to make the following witnesses available for examination at the hearing for this matter which is scheduled for 9:00 a.m. on Tuesday, October 24, 2023.

Jayce Walker, Development Director with Recurrent Energy, will testify regarding the construction of the Project; the Project’s operation in conjunction with other solar projects in the area; and other general matters relating to Project design and management.

Ben Kerr, Development Manager with Recurrent Energy, will testify regarding the construction of the Project; the Project’s operation in conjunction with other solar projects in the area; and other general matters related to Project design and management. Mr. Kerr is appearing primarily to cover any specific questions Mr. Walker is unable to address.

Adam Peterson, Permitting Manager with Recurrent Energy, will be available to provide testimony regarding the Project's permitting requirements, public outreach, and various engineering and design components of the Project.

Orla Lavender, Real Estate Manager with Recurrent Energy, will testify regarding the land agreements with local property owners surrounding the Project.

Jack Zoucha, Senior Development Engineer with Recurrent Energy, will testify regarding specific Project design matters and technical engineering that the Project will require, including karst features and stormwater drainage.

Chad Martin, Project Manager with Stantec, will testify regarding the Project's noise assessment, noise generation from construction and operation, environmental surveys, decommissioning, and other site-specific issues.

Fletcher Mangum, Mangum Economics, will be available to provide testimony regarding the economic impact that the Project will have both in the local and regional areas.

Respectfully submitted,

Gregory T. Dutton
