WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord hereby leases to Tenant, and Tenant leases from Landlord, a portion approximately 96 acres of that certain property with a Tax Parcel No. of 069-00-00-022.00 containing approximately 124.5 acres, located at _____ Fleming County KY and in substantially the location set forth on Exhibit A attached hereto and by this reference made a part hereof (the "Land"), and all improvements, fixtures, personal property and trade fixtures located thereon, together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the portion of the Land delineated in the Survey and shown on Exhibit B attached hereto and by this reference made a part hereof, together with the above-described property, improvements and appurtenances are hereinafter collectively referred to as the "Premises"), to be occupied and used upon the terms and conditions herein set forth.

1. Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of this Lease (including any extensions or renewals, the "Term") shall commence on the Effective Date and shall end _____ after the Rent Commencement Date (as hereinafter defined) (the "Expiration Date"),

(b) If Tenant is not then in default under the terms of this Lease.

(c) If Tenant is not then in default under the terms of this Lease,

(d) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "Contingencies"):

(i) Tenant obtaining all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction prior to the Rent Commencement Date, or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever, Tenant may terminate this Lease by giving written notice to Landlord prior to the Rent Commencement Date; provided however, that Tenant's right to terminate this Lease under this Section 1(d) shall expire upon the earlier of: (a) the Rent Commencement Date or (b) Tenant's installation on the Premises of any permanent improvements or alterations.

As part of Tenant's due diligence, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines.

Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Premises and otherwise be sufficient to constitute a legal subdivision of the Premises from Landlord's land of which the Premises is a part upon the recordation of the Survey in the appropriate office, if required. The delineation of the Premises on the Survey shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may elect to reduce the Land subject to this Lease, for any reason or no reason, for all or part of the Premises by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("Released Premises") so long as:

The portion of

the Premises remaining after any partial termination of this Lease shall thereafter be the "Premises" for purposes of this Lease,

Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Premises as shown on the Survey shall be binding on the parties hereto.

11. Condemnation.

(a) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

12. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezonings requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, storage, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Land across any property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (the "Adjacent Property") to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the

Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Battery Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

(d) Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

(e) Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request

of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

29. Tenant's Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with KY DOT standards.

30. Landlord's Access. Landlord hereby reserves for itself the right to access adjoining property owned by Landlord that would not have access to a public roadway otherwise over a twenty foot (20') wide path over the Premises in a location to be determined by Tenant (the "**Landlord Access**") subject to the terms of this Section 30. Tenant shall also have the right to use the Landlord Access for the benefit of the Premises. Landlord shall only use the Landlord Access for the benefit of Landlord's adjoining property as currently being used and such access shall only commence after the Commercial Operation Date. Notwithstanding anything to the contrary, Tenant may consent in writing, such consent not to be unreasonably withheld, to Landlord's use of the Landlord Access for specific tasks of limited duration prior to the Commercial Operation Date. Landlord shall not use the Landlord Access in any manner that interferes with Tenant's operations pursuant to this Lease or enjoyment of Tenant's rights granted under this Lease. Landlord shall promptly restore any damage caused by Landlord's use of the Landlord Access. Tenant shall install a gate on such Landlord Access. After Landlord's right to use the Landlord Access commences, Tenant shall provide Landlord a copy of any key to the gate, and Landlord may use the gate but shall keep such gate closed and locked at such times as Landlord is not using the Landlord Access. Additionally, Landlord shall be solely responsible, at Landlord's sole cost and expense, for the maintenance, repair, replacement, and improvement of the Landlord Access. Landlord shall perform all such maintenance, repair, replacement, and improvement in a good and workmanlike manner that minimizes interference with Tenant's operations pursuant to the Lease or Tenant's rights granted pursuant to the Lease. Tenant, at Tenant's sole cost and expense, may relocate the Landlord Access as desirable for the use of the Premises so long as the relocation reasonably allows Landlord continued access to its adjoining property.

31. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. All Confidential Information that is not published as public knowledge or that is not generally available in the public domain shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 31; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 31.

32. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

33. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

34. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

35. Estoppel. Within fifteen (15) business days after written request therefor by Tenant, Landlord agrees to deliver a certificate to Tenant, Tenant's lender (if applicable) and any proposed purchaser of the ownership interests of Tenant (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or Tenant's lender) to Tenant's lender or to any proposed purchaser and/or to Tenant setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by Tenant, lender or purchaser. In the event Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

36. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor.

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent

instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Premises by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

(i) Tenant obtaining all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction prior to the Rent Commencement Date, or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever, Tenant may terminate this Lease by giving written notice to Landlord prior to the Rent Commencement Date; provided however, that Tenant's right to terminate this Lease under this Section 1(d) shall expire upon the earlier of: (a) the Rent Commencement Date or (b) Tenant's installation on the Premises of any permanent improvements or alterations.

Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("Released Premises")

In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit B as if fully set forth

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be done in compliance with applicable laws. Landlord shall deliver sole and exclusive possession of the Premises to Tenant on the Effective Date subject only to Landlord's right to continue to farm the Premises in the current manner being farmed until the giving of the "Construction Notice" at which point Landlord will vacate the Premises as provided in Section 2. 17. Indemnifications.

(a)

(b)

18. Quiet Enjoyment. Landlord covenants and warrants that as long as Tenant is not in default under the terms and conditions of this Lease (beyond any applicable notice and cure periods), it will defend the right of possession to the Premises in Tenant against all parties whomsoever for the entire Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

19. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

20. Notices; Rent Payment. With respect to any future beneficiary of a mortgage or deed of trust, Landlord shall

request of such beneficiary a subordination, non-disturbance, and attornment agreement in such form as is acceptable to Tenant for the benefit of Tenant.

24. Invalidity of Particular Provisions. If any term or provision of this Lease shall to any extent be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

(c) Landlord has not received any notice of condemnation, zoning change or legal noncompliance relating to the Premises;

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezonings requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or

under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, storage, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises.

28. Easements.

(a) Operations Easements. Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Premises across any property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (the "Adjacent Property"), except any portions of the Adjacent Property located in the Do Not Disturb Area, to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements")

which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of and be binding upon the Landlord:

- (i) An exclusive easement for electrical interconnection purposes;
 - (ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;
 - (iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;
 - (iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Battery Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and
 - (v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).
- (b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.
- (c) Compensation for Easements on Adjacent Property.
- (d) Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-

easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

(e) Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any re-zonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

29. Tenant's Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with DOT standards of the Commonwealth in which the Premises is located.

30. Landlord's Access. Landlord hereby reserves for itself the right to access adjoining property owned by Landlord that would not have access to a public roadway otherwise over a twenty foot (20') wide path over the Premises in a location to be determined by Tenant (the "**Landlord Access**") subject to the terms of this Section 30. Tenant shall also have the right to use the Landlord Access for the benefit of the Premises. Landlord shall only use the Landlord Access for the benefit of Landlord's adjoining property as currently being used and such access shall only commence after the Commercial Operation Date. Notwithstanding anything to the contrary, Tenant may consent in writing, such consent not to be unreasonably withheld, to Landlord's use of the Landlord Access for specific tasks of limited duration prior to the Commercial Operation Date. Landlord shall not use the Landlord Access in any manner that interferes with Tenant's operations pursuant to this Lease or enjoyment of Tenant's rights granted under this Lease. Landlord shall promptly restore any damage caused by Landlord's use of the Landlord Access. Tenant shall install a gate on such Landlord Access. After Landlord's right to use the Landlord Access commences, Tenant shall provide Landlord a copy of any key to the gate, and Landlord may use the gate but shall keep such gate closed and locked at such times as Landlord is not using the Landlord Access. Additionally, Landlord shall be solely responsible, at Landlord's sole cost and expense, for the maintenance, repair, replacement, and improvement of the Landlord Access. Landlord shall perform all such maintenance, repair, replacement, and improvement in a good and workmanlike manner that minimizes interference with Tenant's operations pursuant to the Lease or Tenant's rights granted pursuant to the Lease. Tenant, at Tenant's sole cost and expense, may relocate the Landlord Access as desirable for the use of the Premises so long as the relocation reasonably allows Landlord continued access to its adjoining property.

31. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "**Confidential Information**") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. All Confidential Information that is not published as public knowledge or that is not generally available in the

public domain shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 31; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 31.

32. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

33. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

34. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

35. Estoppel. Within fifteen (15) business days after written request therefor by Tenant, Landlord agrees to deliver a certificate to Tenant, Tenant's lender (if applicable) and any proposed purchaser of the ownership interests of Tenant (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or Tenant's lender) to Tenant's lender or to any proposed purchaser and/or to Tenant setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by Tenant, lender or purchaser. In the event Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

36. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and

whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving

effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Premises by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

OPTION AND SOLAR GROUND LEASE AGREEMENT

THIS OPTION AND SOLAR GROUND LEASE AGREEMENT (this "Lease") is made and entered into as of the 27 day of August, 2019 (the "Effective Date"), by and **EULA G. SKAGGS** between ("Landlord") and **HUMMINGBIRD SOLAR LLC**, a Kentucky limited liability company ("Tenant").

WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord does hereby give, grant and convey unto Tenant, the right, privilege, and option to lease from Landlord, that certain property containing approximately 228.337 acres, located at _____ Fleming County, Kentucky, which is more particularly described on Exhibit A attached hereto and by this reference made a part hereof, in substantially the location set forth on Exhibit B attached hereto and by this reference made a part hereof (the "Land") and together with all improvements, fixtures, personal property and trade fixtures located thereon, and together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the "**Premises**"), to be occupied and used upon the terms and conditions herein set forth. The option to lease granted hereby is hereinafter called the "**Option**".

1. Term of Option; Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of the Option (the "**Option Term**") shall commence on the Effective Date and shall end _____

The Option may be exercised at any time prior to the expiration thereof only by Tenant giving written notice to Landlord of its exercise of the Option; provided that Tenant shall be deemed to have exercised the Option upon Tenant providing the Construction Notice to Landlord. Upon the exercise of the Option, this Lease shall become a lease agreement among Landlord and Tenant, and Landlord shall lease to Tenant, and Tenant shall lease from Landlord, the Premises, to be occupied and used upon the terms and conditions herein set forth. (The date upon which Buyer exercises the Option is hereinafter called the "**Option Exercise Date**"). Tenant shall have the right to terminate this Agreement at any time during the Option Term, and Tenant shall have no obligation to exercise the Option, and a failure to exercise the Option by the Option Expiration Date, as such date may be delayed pursuant to Sections 1(b), (c) and (d), shall be deemed a termination of this Agreement.

(b)

(c)

(d)

(e) Upon the exercise of the Option, the term of this Lease (including any extensions or renewals, the "Term") shall commence on the Option Exercise Date and shall end _____ months after the Rent Commencement Date (as hereinafter defined) (the "**Expiration Date**").

(f)

(g)

(h) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "**Contingencies**"): _____

(i) Tenant obtaining at its sole expense all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever prior to the Rent Commencement Date, Tenant may terminate this Lease by giving written notice to Landlord of such termination or election, as applicable; provided however, that Tenant's right to terminate the Lease shall expire upon the Rent Commencement Date. In the event that Tenant elects to terminate this Lease pursuant to its right to do so under this Section, if the Premises has been altered or disturbed in any manner in connection with any of Tenant's activities thereon, Tenant shall immediately return the Premises to the condition existing prior to Tenant's activities.

As part of Tenant's due diligence, during the Option Term and during the Term, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines. Tenant shall be required to carry Commercial General Liability Insurance in accordance with the requirements of Section 8(b) of this Lease during the performance of any such due diligence. During the performance of such diligence, Tenant shall use commercially reasonable efforts to minimize to the extent reasonable possible any interference with Landlord's ongoing use of the Premises, to the extent permitted under this Lease, and only upon prior notification, either oral or by agreed upon e-mail or text messaging, to Landlord of any intended on site activities, which notice Tenant shall in good faith attempt to provide at least twenty-four hours prior to such entry. Any trenches, borings or other land disturbances incurred during the testing period shall be fully restored and regraded as soon as is reasonably practicable under the circumstances after such disturbances occur.

Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Land and otherwise be sufficient to constitute a legal subdivision of the Land from Landlord's land of which the Land is a part upon the recordation of the Survey in the appropriate office, if required. The legal description of the Land on the Survey shall be deemed inserted as Exhibit A to this Lease, automatically replacing any previous Exhibit A, and any corresponding changes based on the Survey to the depiction of the Land on Exhibit B shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may, from time to time prior to the Rent Commencement Date, elect to reduce the Land subject to this Lease, for any reason or no reason, by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises (“**Released Premises**”)

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the “**Premises**” for purposes of this Lease.

Any such Released Premises shall automatically be removed from the “Premises” and the “Land” as those terms are defined and used in this Lease. In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit A and Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Land shall be binding on the parties hereto.

2. Construction Notice; Construction Rent; Crop Loss Payment.

(a) Tenant shall provide Landlord notice of its intent to commence construction of the solar farm on the Premises (the “**Construction Notice**”). The Construction Notice shall include the date on which Tenant intends to commence construction (“**Construction Start Date**”).

(b) Following the Construction Start Date but prior to the Rent Commencement Date (such period being referred to as the “**Construction Period**”), Tenant shall pay Landlord

(c)

3. Rent; Rent Escalation; Rent Commencement Date.

5. Alterations. Tenant may, at its expense, make any alterations, additions, improvements and changes (including, without limitation, removal of existing improvements and fixtures and trees and plants) to the Premises as it may deem necessary or desirable in connection with its Intended Use of the Premises, without the consent of Landlord. Such alterations, improvements, and changes may, in Tenant's sole discretion, include the cutting, removal, and sale of any timber or trees, including, without limitation, any remaining stumps, on the Premises;

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be done in compliance with applicable laws. Landlord agrees to sign any permit applications, to the extent required by law, and to take all such other actions as are reasonably required to allow Tenant to accomplish any such alterations, additions, improvements and changes to the Premises,

Without limiting the foregoing, Landlord hereby waives the lien granted under Kentucky Revised Statutes §383.070 as to any personal property of Tenant or any sublessee under any sublease claiming under Tenant located on the Premises.

7. Use and Occupancy. Upon the exercise of the Option by Tenant, Landlord shall deliver sole and exclusive possession of the Premises to Tenant for the Term. Tenant agrees that no unlawful use of the Premises will be made. During the Term, Tenant shall have the quiet use and enjoyment of the Premises in accordance with and subject to the terms of this Lease, without any interference of any kind by Landlord or any person claiming through Landlord. During the Option Term, Landlord shall continue to have the right to continue to farm the Premises in the current manner being farmed until the giving of the “Construction Notice” at which point Landlord will vacate the Premises as provided in Section 2. For the avoidance of doubt, the continued farming of the Premises shall be performed in such a manner as to not interfere with Tenant’s rights under this Lease. Notwithstanding anything else in this Lease, after the Effective Date, Landlord shall not utilize the surface of the Premises to explore for, develop, or produce oil, gas, or other minerals from the Premises nor enter into any agreement permitting a third party to utilize the surface of the Premises to explore for, develop, or produce, oil, gas or other minerals from the Premises.

8. Insurance.

(a) Tenant shall, after its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards in commercially reasonable amounts determined by Tenant.

(b) Beginning on the Effective Date, Tenant, at its sole cost and expense, shall keep or cause to be kept Commercial General Liability Insurance (1986 ISO Form or its equivalent) with a combined single limit of at least _____ each Occurrence and at least _____ in the aggregate, which policy shall insure against liability of Tenant, arising out of and in connection with Tenant’s use of the Premises.

(c)

9. Taxes.

10. Fire or Other Casualty. In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be,

11. Condemnation.

(a) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

(b) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then

(c)

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement

without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

12. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

13. Default.

14. Termination of Lease. Following the expiration or termination of this Lease as hereinabove provided, Tenant shall restore the Land to substantially its condition as of the Effective Date using prudent engineering practices where applicable, including, without limitation, the removal of all improvements and alterations to the Land or Premises (including, without limitation, all fencing, roads, solar panels and mounting, and other improvements or alterations) and any electrical or communication or other utility poles, lines and connections (unless such lines and connections are used in connection with other property owned by Landlord and Landlord elects to allow such lines and connections to remain). The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises.

Tenant may, in its discretion, determine the length of such period following the expiration or termination up to a period of twenty-four (24) months (the "**Restoration Period**") and shall provide Landlord with written notice of such length prior to the date that is thirty (30) days after such expiration or termination.

Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D and in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises. Notwithstanding the foregoing, if Tenant is required to comply with a decommissioning plan as required by any applicable laws and regulations, or as otherwise required by any governmental agency, then Tenant shall be obligated to comply with such laws and regulations in lieu of the Template Decommissioning Plan,

15. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises on or before the expiration of the Restoration Period (with all removal and restoration requirements contained in Section 14 completed), Landlord shall be entitled

16. Binding Effect; Assignment and Subletting. This Lease shall be binding upon and inure to the benefit of the parties hereto and their legal representatives, successors and assigns. (a)

(b)

18. Quiet Enjoyment. Landlord covenants and warrants that as long as Tenant is not in default under the terms and conditions of this Lease (beyond any applicable notice and cure periods), it will defend the right of possession to the Premises in Tenant against all parties whomsoever for the entire

Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

19. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

21. Memorandum of Lease. Landlord and Tenant agree that this entire Lease shall not be recorded. However, contemporaneously with the full execution of this Lease, Landlord and Tenant shall execute and record (to be recorded at Tenant's expense) a memorandum of this Option and Solar Ground Lease Agreement in substantially the form attached hereto as Exhibit C. (d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezoning's requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause nor voluntarily permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. If Tenant exercises the Option, Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Land across any Released Premises and/or property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (collectively, the "**Adjacent Property**") to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of Tenant, and be binding upon the Landlord:

- (i) An exclusive easement for electrical interconnection purposes;
- (ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;
- (iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;
- (iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and
- (v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

- (c) Compensation for Easements on Adjacent Property.

29. Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

30. Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

31. Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with Kentucky Department of Transportation standards.

32. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders, members, and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. Provided, no information shall be deemed to be confidential if such (i) was known to Landlord or any of its officers, directors, shareholders, members, advisors, and employees of each of them prior to the Effective Date; (ii) is in the public domain or at any future date enters the public domain through no fault of the Landlord, its owners, employees, or agents; (iii) becomes known through the actions of the Tenant, its employees and agents, or through any other third party not associated with Landlord, or (iv) is hereafter released with the prior written approval of the Tenant. All Confidential Information shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 32; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease or to Landlord or its employees, contractors, agents or professional advisors to the extent necessary for Landlord's legitimate business purposes and to family members for their reasonable knowledge and use relating to the Property. Notwithstanding the foregoing, Landlord shall not provide or disclose any Confidential Information to any permitting agencies or other similar authorities unless Tenant has provided its prior written consent to such disclosure. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 32.

33. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience

of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

34. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

35. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

36. Estoppel. Within fifteen (15) business days after written request therefor by either party, the party receiving such request agrees to deliver a certificate to the requesting party, the requesting parties' lender (if applicable) and any proposed purchaser of the ownership interests of the requesting party (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or lender) to the requesting parties' lender or to any proposed purchaser and/or to the requesting party setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by the requesting party or their lender or purchaser. In the event the party upon whom the request is served fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

37. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Land by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons

at the time having an interest in the fee estate in the Premises and all persons (including the Lenders)having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

IN WITNESS WHEREOF, the parties hereto have duly executed this Lease under seal as of the day and year first above written.

CAUDILL MATTOX and JOHNNY WAYNE MATTOX**, husband and wife ("Landlord") and **HUMMINGBIRD SOLAR, LLC**, a Kentucky limited liability company ("Tenant").

WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date that _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord does hereby give, grant and convey unto Tenant, the right, privilege, and option to lease from Landlord, that certain property containing approximately 29.3635 acres, located at Mt. Carmel Beechburg Road, Fleming County, Kentucky, which is more particularly described on Exhibit A attached hereto and by this reference made a part hereof, in substantially the location set forth on Exhibit B attached hereto and by this reference made a part hereof (the "Land") and together with all improvements, fixtures, personal property and trade fixtures located thereon, and together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the "**Premises**"), to be occupied and used upon the terms and conditions herein set forth. The option to lease granted hereby is hereinafter called the "**Option**".

1. Term of Option; Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of the Option (the "**Option Term**") shall commence on the Effective Date and shall end _____

The Option may be exercised at any time prior to the expiration thereof only by Tenant giving written notice to Landlord of its exercise of the Option; provided that Tenant shall be deemed to have exercised the Option upon Tenant providing the Construction Notice to Landlord. Upon the exercise of the Option, this Lease shall become a lease agreement among Landlord and Tenant, and Landlord shall lease to Tenant, and Tenant shall lease from Landlord, the Premises, to be occupied and used upon the terms and conditions herein set forth. (The date upon which Buyer exercises the Option is hereinafter called the "**Option Exercise Date**"). Tenant shall have the right to terminate this Agreement at any time during the Option Term, and Tenant shall have no obligation to exercise the Option, and a failure to exercise the Option by the Option Expiration Date, as such date may be delayed pursuant to Sections 1(b), (c) and (d), shall be deemed a termination of this Agreement.

(b)

(c)

(d)

(e) Upon the exercise of the Option, the term of this Lease (including any extensions or renewals, the "Term") shall commence on the Option Exercise Date and shall end at after the Rent Commencement Date (as hereinafter defined) (the "**Expiration Date**"),

(f)

(g)

(h) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "**Contingencies**"):

(i) Tenant obtaining at its sole expense all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever prior to the Rent Commencement Date, Tenant may terminate this Lease by giving written notice to Landlord of such termination or election, as applicable; provided however, that Tenant's right to terminate the Lease shall expire upon the Rent Commencement Date. In the event that Tenant elects to terminate this Lease pursuant to its right to do so under this Section, if the Premises has been altered or disturbed in any manner in connection with any of Tenant's activities thereon, Tenant shall immediately return the Premises to the condition existing prior to Tenant's activities.

As part of Tenant's due diligence, during the Option Term and during the Term, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines. Tenant shall be required to carry Commercial General Liability Insurance in accordance with the requirements of Section 8(b) of this Lease during the performance of any such due diligence. During the performance of such diligence, Tenant shall use commercially reasonable efforts to minimize to the extent reasonable possible any interference with Landlord's ongoing use of the Premises, to the extent permitted under this Lease, and only upon prior notification, either oral or by agreed upon e-mail or text messaging, to Landlord of any intended on site activities, which notice Tenant shall in good faith attempt to provide at least twenty-four hours prior to such entry. Any trenches, borings or other land disturbances incurred during the testing period shall be fully restored and regraded as soon as is reasonably practicable under the circumstances after such disturbances occur.

Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Land and otherwise be sufficient to constitute a legal subdivision of the Land from Landlord's land of which the Land is a part upon the recordation of the Survey in the appropriate office, if required. The legal description of the Land on the Survey shall be deemed inserted as Exhibit A to this Lease, automatically replacing any previous Exhibit A, and any corresponding changes based on the Survey to the depiction of the Land on Exhibit B shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may, from time to time prior to the Rent Commencement Date, elect to reduce the Land subject to this Lease, for any reason or no reason, by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises (“**Released Premises**”)

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the “**Premises**” for purposes of this Lease,

Any such Released Premises shall automatically be removed from the “Premises” and the “Land” as those terms are defined and used in this Lease. In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit A and Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Land shall be binding on the parties hereto.

5. Alterations. Tenant may, at its expense, make any alterations, additions, improvements and changes (including, without limitation, removal of existing improvements and fixtures and trees and plants) to the Premises as it may deem necessary or desirable in connection with its Intended Use of the Premises, without the consent of Landlord. Such alterations, improvements, and changes may, in Tenant's sole discretion, include the cutting, removal, and sale of any timber or trees, including, without limitation, any remaining stumps, on the Premises;

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be done in compliance with applicable laws. Landlord agrees to sign any permit applications, to the extent required by law, and to take all such other actions as are reasonably required to allow Tenant to accomplish any such alterations, additions, improvements and changes to the Premises.

Without limiting the foregoing, Landlord hereby waives the lien granted under Kentucky Revised Statutes §383.070 as to any personal property of Tenant or any sublessee under any sublease claiming under Tenant located on the Premises.

Tenant agrees that no unlawful use of the Premises will be made. During the Term, Tenant shall have the quiet use and enjoyment of the Premises in accordance with and subject to the terms of this Lease, without any interference of any kind by Landlord or any person claiming through Landlord. During the Option Term, Landlord shall continue to have the right to continue to farm the Premises in the current manner being farmed until the giving of the “Construction Notice” at which point Landlord will vacate the Premises as provided in Section 2. For the avoidance of doubt, the continued farming of the Premises shall be performed in such a manner as to not interfere with Tenant’s rights under this Lease. Notwithstanding anything else in this Lease, after the Effective Date, Landlord shall not utilize the surface of the Premises to explore for, develop, or produce oil, gas, or other minerals from the Premises nor enter into any agreement permitting a third party to utilize the surface of the Premises to explore for, develop, or produce, oil, gas or other minerals from the Premises.

8. Insurance.

(a) Tenant shall, after its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards in commercially reasonable amounts determined by Tenant.

(b) Beginning on the Effective Date, Tenant, at its sole cost and expense, shall keep or cause to be kept Commercial General Liability Insurance (1986 ISO Form or its equivalent) with a combined single limit of at least _____ each Occurrence and at least _____ in the aggregate, which policy shall insure against liability of Tenant, arising out of and in connection with Tenant’s use of the Premises.

9. Taxes.

10. Fire or Other Casualty. In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be,

11. Condemnation.

(a) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

(b) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then this Lease,

(c)

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement

without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

12. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

13. Default.

14. Termination of Lease. Following the expiration or termination of this Lease as hereinabove provided, Tenant shall restore the Land to substantially its condition as of the Effective Date using prudent engineering practices where applicable, including, without limitation, the removal of all improvements and alterations to the Land or Premises (including, without limitation, all fencing, roads, solar panels and mounting, and other improvements or alterations) and any electrical or communication or other utility poles, lines and connections (unless such lines and connections are used in connection with other property owned by Landlord and Landlord elects to allow such lines and connections to remain). The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises.

Tenant may, in its discretion, determine the length of such period following the expiration or termination up to a period of twenty-four (24) months (the "**Restoration Period**") and shall provide Landlord with written notice of such length prior to the date that is thirty (30) days after such expiration or termination.

Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D and in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises. Notwithstanding the foregoing, if Tenant is required to comply with a decommissioning plan as required by any applicable laws and regulations, or as otherwise required by any governmental agency, then Tenant shall be obligated to comply with such laws and regulations in lieu of the Template Decommissioning Plan,

15. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises on or before the expiration of the Restoration Period (with all removal and restoration requirements contained in Section 14 completed), Landlord shall be entitled

16. Binding Effect; Assignment and Subletting. This Lease shall be binding upon and inure to the benefit of the parties hereto and their legal representatives, successors and assigns. Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

19. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

20. Notices; Rent Payment. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause nor voluntarily permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). (l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

- (i) An exclusive easement for electrical interconnection purposes;
- (ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;
- (iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;
- (iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and
- (v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

29. Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

30. Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

31. Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with Kentucky Department of Transportation standards.

32. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders, members, and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. Provided, no information shall be deemed to be confidential if such (i) was known to Landlord or any of its officers, directors, shareholders, members, advisors, and employees of each of them prior to the Effective Date; (ii) is in the public domain or at any future date enters the public domain through no fault of the Landlord, its owners, employees, or agents; (iii) becomes known through the actions of the Tenant, its employees and agents, or through any other third party not associated with Landlord, or (iv) is hereafter released with the prior written approval of the Tenant. All Confidential Information shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 32; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease or to Landlord or its employees, contractors, agents or professional advisors to the extent necessary for Landlord's legitimate business purposes and to family members for their reasonable knowledge and use relating to the Property. Notwithstanding the foregoing, Landlord shall not provide or disclose any Confidential Information to any permitting agencies or other similar authorities unless Tenant has provided its prior written consent to such disclosure. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 32.

33. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience

of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

34. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

35. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

36. Estoppel. Within fifteen (15) business days after written request therefor by either party, the party receiving such request agrees to deliver a certificate to the requesting party, the requesting parties' lender (if applicable) and any proposed purchaser of the ownership interests of the requesting party (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or lender) to the requesting parties' lender or to any proposed purchaser and/or to the requesting party setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by the requesting party or their lender or purchaser. In the event the party upon whom the request is served fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

37. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Land by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons

at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

THIS OPTION AND SOLAR GROUND LEASE AGREEMENT (this "Lease") is made and entered into as of the 10 day of September, 2019 (the "Effective Date"), by and **BEN PEACHEY and JUDY PEACHEY** between ("Landlord") and **HUMMINGBIRD SOLAR LLC**, a Kentucky limited liability company ("Tenant").

WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date that is _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord does hereby give, grant and convey unto Tenant, the right, privilege, and option to lease from Landlord, that certain property containing approximately 316 acres, located at _____ Fleming County, Kentucky, which is more particularly described on Exhibit A attached hereto and by this reference made a part hereof, in substantially the location set forth on Exhibit B attached hereto and by this reference made a part hereof (the "Land") and together with all improvements, fixtures, personal property and trade fixtures located thereon, and together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the "**Premises**"), to be occupied and used upon the terms and conditions herein set forth. The option to lease granted hereby is hereinafter called the "**Option**".

1. Term of Option; Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of the Option (the "**Option Term**") shall commence on the Effective Date and shall end _____

The Option may be exercised at any time prior to the expiration thereof only by Tenant giving written notice to Landlord of its exercise of the Option; provided that Tenant shall be deemed to have exercised the Option upon Tenant providing the Construction Notice to Landlord. Upon the exercise of the Option, this Lease shall become a lease agreement among Landlord and Tenant, and Landlord shall lease to Tenant, and Tenant shall lease from Landlord, the Premises, to be occupied and used upon the terms and conditions herein set forth. (The date upon which Buyer exercises the Option is hereinafter called the "**Option Exercise Date**"). Tenant shall have the right to terminate this Agreement at any time during the Option Term, and Tenant shall have no obligation to exercise the Option, and a failure to exercise the Option by the Option Expiration Date, as such date may be delayed pursuant to Sections 1(b), (c) and (d), shall be deemed a termination of this Agreement.

(b)

(c)

(d) Intentionally deleted

(e) Upon the exercise of the Option, the term of this Lease (including any extensions or renewals, the "Term") shall commence on the Option Exercise Date and shall end after the Rent Commencement Date (as hereinafter defined) (the "**Expiration Date**").

(f)

(g)

(h) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "**Contingencies**"):

(i) Tenant obtaining at its sole expense all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever prior to the Rent Commencement Date, Tenant may terminate this Lease by giving written notice to Landlord of such termination or election, as applicable; provided however, that Tenant's right to terminate the Lease shall expire upon the Rent Commencement Date. In the event that Tenant elects to terminate this Lease pursuant to its right to do so under this Section, if the Premises has been altered or disturbed in any manner in connection with any of Tenant's activities thereon, Tenant shall immediately return the Premises to the condition existing prior to Tenant's activities.

As part of Tenant's due diligence, during the Option Term and during the Term, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines. Tenant shall be required to carry Commercial General Liability Insurance in accordance with the requirements of Section 8(b) of this Lease during the performance of any such due diligence. During the performance of such diligence, Tenant shall use commercially reasonable efforts to minimize to the extent reasonable possible any interference with Landlord's ongoing use of the Premises, to the extent permitted under this Lease, and only upon prior notification, either oral or by agreed upon e-mail or text messaging, to Landlord of any intended on site activities, which notice Tenant shall in good faith attempt to provide at least twenty-four hours prior to such entry. Any trenches, borings or other land disturbances incurred during the testing period shall be fully restored and regraded as soon as is reasonably practicable under the circumstances after such disturbances occur.

Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Land and otherwise be sufficient to constitute a legal subdivision of the Land from Landlord's land of which the Land is a part upon the recordation of the Survey in the appropriate office, if required. The legal description of the Land on the Survey shall be deemed inserted as Exhibit A to this Lease, automatically replacing any previous Exhibit A, and any corresponding changes based on the Survey to the depiction of the Land on Exhibit B shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may, from time to time prior to the Rent Commencement Date, elect to reduce the Land subject to this Lease, for any reason or no reason, by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("**Released Premises**")

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the "**Premises**" for purposes of this Lease.

Any such released Premises shall automatically be removed from the "Premises" and the "Land" as those terms are defined and used in this Lease. In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit A and Exhibit B as if fully set forth therein

without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Land shall be binding on the parties hereto.

3. Rent; Rent Escalation; Rent Commencement Date.

5. Alterations. Tenant may, at its expense, make any alterations, additions, improvements and changes (including, without limitation, removal of existing improvements and fixtures and trees and plants) to the Premises as it may deem necessary or desirable in connection with its Intended Use of the Premises, without the consent of Landlord. Such alterations, improvements, and changes may, in Tenant's sole discretion, include the cutting, removal, and sale of any timber or trees, including, without limitation, any remaining stumps, on the Premises:

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be done in compliance with applicable laws. Landlord agrees to sign any permit applications, to the extent required by law, and to take all such other actions as are reasonably required to allow Tenant to accomplish any such alterations, additions, improvements and changes to the Premises, including,

Without limiting the foregoing, Landlord hereby waives the lien granted under Kentucky Revised Statutes §383.070 as to any personal property of Tenant or any sublessee under any sublease claiming under Tenant located on the Premises.

6. Do Not Disturb Area. The area shown on Exhibit B.1 shall be excluded from the Premises.

7. Use and Occupancy. Upon the exercise of the Option by Tenant, Landlord shall deliver sole and exclusive possession of the Premises to Tenant for the Term. During the Term, Tenant shall be entitled to use the Premises for operation of a solar photovoltaic power array for the generation of electric power, and an energy storage system that will store electricity along with related equipment ("**Energy Storage System**"), vegetative cover, plants, trees, shrubs, agricultural use, fixtures, appliances, appurtenances and improvements related thereto and ancillary and associated uses (the "Intended Use") and for no other use without the written approval of Landlord, which shall not be unreasonably withheld, conditioned or delayed. Tenant agrees that no unlawful use of the Premises will be made. During the Term, Tenant shall have the quiet use and enjoyment of the Premises in accordance with and subject to the terms of this Lease, without any interference of any kind by Landlord or any person claiming through Landlord. During the Option Term, Landlord shall continue to have the right to continue to farm the Premises in the current manner being farmed until the giving of the "Construction Notice" at which point Landlord will vacate the Premises as provided in Section 2. For the avoidance of doubt, the continued farming of the Premises shall be performed in such a manner as to not interfere with Tenant's rights under this Lease. Notwithstanding anything else in this Lease, after the Effective Date, Landlord shall not utilize the surface of the Premises to explore for, develop, or produce oil, gas, or other minerals from the Premises nor enter into any agreement permitting a third party to utilize the surface of the Premises to explore for, develop, or produce, oil, gas or other minerals from the Premises.

8. Insurance.

(a) Tenant shall, after its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards in commercially reasonable amounts determined by Tenant.

(b) Beginning on the Effective Date, Tenant, at its sole cost and expense, shall keep or cause to be kept Commercial General Liability Insurance (1986 ISO Form or its equivalent) with a combined single limit of at least _____ each Occurrence and at least _____ in the aggregate, which policy shall insure against liability of Tenant, arising out of and in connection with Tenant's use of the Premises.

(c)

9. Taxes.

10. Fire or Other Casualty. In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be,

11. Condemnation.

(a) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

(b) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then

(c)

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

12. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

13. Default.

14. Termination of Lease. Following the expiration or termination of this Lease as hereinabove provided, Tenant shall restore the Land to substantially its condition as of the Effective Date using prudent engineering practices where applicable, including, without limitation, the removal of all improvements and alterations to the Land or Premises (including, without limitation, all fencing, roads, solar panels and mounting, and other improvements or alterations) and any electrical or communication or other utility poles, lines and connections (unless such lines and connections are used in connection with other property owned by Landlord and Landlord elects to allow such lines and connections to remain). The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises.

Tenant may, in its discretion, determine the length of such period following the expiration or termination up to a period of twenty-four (24) months (the "**Restoration Period**") and shall provide Landlord with written notice of such length prior to the date that is thirty (30) days after such expiration or termination.

Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D

Notwithstanding the foregoing, if Tenant is required to comply with a decommissioning plan as required by any applicable laws and regulations, or as otherwise required by any governmental agency, then Tenant shall be obligated to comply with such laws and regulations in lieu of the Template Decommissioning Plan.

15. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises on or before the expiration of the Restoration Period (with all removal and restoration requirements contained in Section 14 completed), Landlord shall

16. Binding Effect; Assignment and Subletting. This Lease shall be binding upon and inure to the benefit of the parties hereto and their legal representatives, successors and assigns. The parties shall execute an amendment to the memorandum in each instance as reasonably requested by Tenant, or if this Lease is terminated by Tenant pursuant to the terms hereof, the parties shall execute a termination agreement and record or cause to be recorded a memorandum of termination executed by Tenant.

22. SNDA. No later than the Rent Commencement Date, Landlord shall provide to Tenant a subordination, non-disturbance, and attornment agreement from any and all current beneficiaries of mortgages/deeds of trust, or any other holders of liens on the Premises or any portion thereof, whereby such beneficiaries and lien holders agree not to disturb Tenant's rights under this Lease in form and substance acceptable to Tenant. With respect to any future beneficiary of a mortgage or deed of trust, Landlord shall request of such beneficiary a subordination, non-disturbance, and attornment agreement in such form as is acceptable to Tenant for the benefit of Tenant.

23. Governing Law. This Lease shall be construed and enforced in accordance with the laws of the Commonwealth of Kentucky.

24. Invalidity of Particular Provisions. If any term or provision of this Lease shall to any extent be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

25. Landlord's Warranties and Representations. Landlord hereby agrees with, and warrants and represents to Tenant as follows:

(a) Landlord is the owner of the Premises with full right and authority to execute this Lease and to lease the Premises to Tenant in accordance with the terms hereof;

(b) To the best of Landlord's knowledge after due inquiry, the Premises are free from environmental contamination of any sort and complies with any and all applicable laws, rules, regulations and recorded documents;

(c) Landlord has not received any notice of condemnation, zoning change or legal noncompliance relating to the Premises;

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezoning's requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause nor voluntarily permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. If Tenant exercises the Option, Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Land across any Released Premises and/or property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (collectively, the "**Adjacent Property**") to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of Tenant, and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the

Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

29. Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

30. Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request

of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

31. Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with Kentucky Department of Transportation standards.

32. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders, members, and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. Provided, no information shall be deemed to be confidential if such (i) was known to Landlord or any of its officers, directors, shareholders, members, advisors, and employees of each of them prior to the Effective Date; (ii) is in the public domain or at any future date enters the public domain through no fault of the Landlord, its owners, employees, or agents; (iii) becomes known through the actions of the Tenant, its employees and agents, or through any other third party not associated with Landlord, or (iv) is hereafter released with the prior written approval of the Tenant. All Confidential Information shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 32; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease or to Landlord or its employees, contractors, agents or professional advisors to the extent necessary for Landlord's legitimate business purposes and to family members for their reasonable knowledge and use relating to the Property. Notwithstanding the foregoing, Landlord shall not provide or disclose any Confidential Information to any permitting agencies or other similar authorities unless Tenant has provided its prior written consent to such disclosure. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 32.

33. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be

binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

34. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

35. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

36. Estoppel. Within fifteen (15) business days after written request therefor by either party, the party receiving such request agrees to deliver a certificate to the requesting party, the requesting parties' lender (if applicable) and any proposed purchaser of the ownership interests of the requesting party (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or lender) to the requesting parties' lender or to any proposed purchaser and/or to the requesting party setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by the requesting party or their lender or purchaser. In the event the party upon whom the request is served fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

37. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

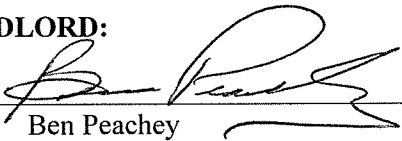

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Land by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

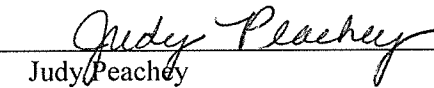

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and

estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

IN WITNESS WHEREOF, the parties hereto have duly executed this Lease under seal as of the day and year first above written.

THIS OPTION AND SOLAR GROUND LEASE AGREEMENT (this "Lease") is made and entered into as of the 25 day of September, 2019 (the "Effective Date"), by and between **Andrew T. Heflin, a single man** ("Landlord") and **Hummingbird Solar LLC**, a Kentucky limited liability company ("Tenant").

WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date that _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord does hereby give, grant and convey unto Tenant, the right, privilege, and option to lease from Landlord, that certain property containing approximately 60 acres, located at _____ Fleming County, Kentucky, which is more particularly described on Exhibit A attached hereto and by this reference made a part hereof, in substantially the location set forth on Exhibit B attached hereto and by this reference made a part hereof (the "Land") and together with all improvements, fixtures, personal property and trade fixtures located thereon, and together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the Land and the improvements now or in the future located thereon (the "**Premises**"), to be occupied and used upon the terms and conditions herein set forth. The option to lease granted hereby is hereinafter called the "**Option**".

1. Term of Option; Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of the Option (the "**Option Term**") shall commence on the Effective Date and shall end _____

The Option may be exercised at any time prior to the expiration thereof only by Tenant giving written notice to Landlord of its exercise of the Option; provided that Tenant shall be deemed to have exercised the Option upon Tenant providing the Construction Notice to Landlord. Upon the exercise of the Option, this Lease shall become a lease agreement among Landlord and Tenant, and Landlord shall lease to Tenant, and Tenant shall lease from Landlord, the Premises, to be occupied and used upon the terms and conditions herein set forth. (The date upon which Buyer exercises the Option is hereinafter called the "**Option Exercise Date**"). Tenant shall have the right to terminate this Agreement at any time during the Option Term, and Tenant shall have no obligation to exercise the Option, and a failure to exercise the Option by the Option Expiration Date, as such date may be delayed pursuant to Sections 1(b), (c) and (d), shall be deemed a termination of this Agreement.

(a)

(b)

(c)

(d) Upon the exercise of the Option, the term of this Lease (including any extensions or renewals. the "Term") shall commence on the Option Exercise Date and shall end after the Rent Commencement Date (as hereinafter defined) (the "**Expiration Date**"),

(e)

(f)

(g) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "**Contingencies**");

(i) Tenant obtaining at its sole expense all necessary approvals from State, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever prior to the Rent Commencement Date, Tenant may terminate this Lease by giving written notice to Landlord of such termination or election, as applicable; provided however, that Tenant's right to terminate the Lease shall expire upon the Rent Commencement Date. In the event that Tenant elects to terminate this Lease pursuant to its right to do so under this Section, if the Premises has been altered or disturbed in any manner in connection with any of Tenant's activities thereon, Tenant shall immediately return the Premises to the condition existing prior to Tenant's activities.

As part of Tenant's due diligence, during the Option Term and during the Term, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines. Tenant shall be required to carry Commercial General Liability Insurance in accordance with the requirements of Section 8(b) of this Lease during the performance of any such due diligence. During the performance of such diligence, Tenant shall use commercially reasonable efforts to minimize to the extent reasonable possible any interference with Landlord's ongoing use of the Premises, to the extent permitted under this Lease, and only upon prior notification, either oral or by agreed upon e-mail or text messaging, to Landlord of any intended on site activities, which notice Tenant shall in good faith attempt to provide at least twenty-four hours prior to such entry. Any trenches, borings or other land disturbances incurred during the testing period shall be fully restored and regraded as soon as is reasonably practicable under the circumstances after such disturbances occur.

Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Land and otherwise be sufficient to constitute a legal subdivision of the Land from Landlord's land of which the Land is a part upon the recordation of the Survey in the appropriate office, if required. The legal description of the Land on the Survey shall be deemed inserted as Exhibit A to this Lease, automatically replacing any previous Exhibit A, and any corresponding changes based on the Survey to the depiction of the Land on Exhibit B shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may, from time to time prior to the Rent Commencement Date, elect to reduce the Land subject to this Lease, for any reason or no reason, by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("**Released Premises**")

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the "**Premises**" for purposes of this Lease.

Any such Released Premises shall automatically be removed from the "Premises" and the "Land" as those terms are defined and used in this Lease. In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit A and Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Land shall be binding on the parties hereto.

In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be

11. Condemnation.

(k) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

(l) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then

The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises.

Tenant may, in its discretion, determine the length of such period following the expiration or termination up to a period of twenty-four (24) months (the "**Restoration Period**") and shall provide Landlord with written notice of such length prior to the date that is thirty (30) days after such expiration or termination.

Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D and in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises. Notwithstanding the foregoing, if Tenant is required to comply with a decommissioning plan as required by any applicable laws and regulations, or as otherwise required by any governmental agency, then Tenant shall be obligated to comply with such laws and regulations in lieu of the Template Decommissioning Plan

Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

19. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

21. Memorandum of Lease. Landlord and Tenant agree that this entire Lease shall not be recorded. However, contemporaneously with the full execution of this Lease, Landlord and Tenant shall execute and record (to be recorded at Tenant's expense) a memorandum of this Option and Solar Ground Lease Agreement in substantially the form attached hereto as Exhibit C. The memorandum shall be in form sufficient to publish notice and protect the validity of this Lease and Tenant's rights hereunder. The memorandum of lease shall be recorded in the Public Registry in the County in which the Land is located. The parties shall execute an amendment to the memorandum in each instance as reasonably requested by Tenant, or if this Lease is terminated by Tenant pursuant to the terms hereof, the parties shall execute a termination agreement and record or cause to be recorded a memorandum of termination executed by Tenant.

23. Governing Law. This Lease shall be construed and enforced in accordance with the laws of the Commonwealth of Kentucky.

24. Invalidity of Particular Provisions. If any term or provision of this Lease shall to any extent be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

25. Landlord's Warranties and Representations. Landlord hereby agrees with, and warrants and represents to Tenant as follows:

(p) Landlord has not received any notice of condemnation, zoning change or legal noncompliance relating to the Premises;

(q) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezoning's requested by Tenant);

(r) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(s) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause nor voluntarily permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(t) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(a) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(u) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(v) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(w) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(x) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(y) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(z) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. If Tenant exercises the Option, Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Land across any Released Premises and/or property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (collectively, the "**Adjacent Property**") to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of Tenant, and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

29. Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

30. Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary

for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

31. Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with Kentucky Department of Transportation standards.

32. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders, members, and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. Provided, no information shall be deemed to be confidential if such (i) was known to Landlord or any of its officers, directors, shareholders, members, advisors, and employees of each of them prior to the Effective Date; (ii) is in the public domain or at any future date enters the public domain through no fault of the Landlord, its owners, employees, or agents; (iii) becomes known through the actions of the Tenant, its employees and agents, or through any other third party not associated with Landlord, or (iv) is hereafter released with the prior written approval of the Tenant. All Confidential Information shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 32; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease or to Landlord or its employees, contractors, agents or professional advisors to the extent necessary for Landlord's legitimate business purposes and to family members for their reasonable knowledge and use relating to the Property. Notwithstanding the foregoing, Landlord shall not provide or disclose any Confidential Information to any permitting agencies or other similar authorities unless Tenant has provided its prior written consent to such disclosure. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 32.

33. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the

relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

34. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

35. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

36. Estoppel. Within fifteen (15) business days after written request therefor by either party, the party receiving such request agrees to deliver a certificate to the requesting party, the requesting parties' lender (if applicable) and any proposed purchaser of the ownership interests of the requesting party (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or lender) to the requesting parties' lender or to any proposed purchaser and/or to the requesting party setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by the requesting party or their lender or purchaser. In the event the party upon whom the request is served fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

37. Leasehold Financing.

(aa) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(bb) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such

Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(cc) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Land by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the

Lenders)having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(dd) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

As part of Tenant's due diligence, during the Option Term and during the Term, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines. Tenant shall be required to carry Commercial General Liability Insurance in accordance with the requirements of Section 8(b) of this Lease during the performance of any such due diligence. During the performance of such diligence, Tenant shall use commercially reasonable efforts to minimize to the extent reasonable possible any interference with Landlord's ongoing use of the Premises, to the extent permitted under this Lease, and only upon prior notification, either oral or by agreed upon e-mail or text messaging, to Landlord of any intended on site activities, which notice Tenant shall in good faith attempt to provide at least twenty-four hours prior to such entry. Prior to the Rent Commencement Date, Tenant shall obtain a survey of the Land (the "Survey") that shall show the boundary line of the Land and otherwise be sufficient to constitute a legal subdivision of the Land from Landlord's land of which the Land is a part upon the recordation of the Survey in the appropriate office, if required. The legal description of the Land on the Survey shall be deemed inserted as Exhibit A to this Lease, automatically replacing any previous Exhibit A, and any corresponding changes based on the Survey to the depiction of the Land on Exhibit B shall be deemed inserted as Exhibit B to this Lease, automatically replacing any previous Exhibit B.

As part of its inspections and performance of the Survey, Tenant may, from time to time prior to the Rent Commencement Date, elect to reduce the Land subject to this Lease, for any reason or no reason, by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("**Released Premises**") so long as

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the "**Premises**" for purposes of this Lease,

Any such Released Premises shall automatically be removed from the "Premises" and the "Land" as those terms are defined and used in this Lease. In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit A and Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Land shall be binding on the parties hereto.

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement

Notwithstanding the foregoing, if Tenant is required to comply with a decommissioning plan as required by any applicable laws and regulations, or as otherwise required by any governmental agency, then Tenant shall be obligated to comply with such laws and regulations in lieu of the Template Decommissioning Plan.

15. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises on or before the expiration of the Restoration Period (with all removal and restoration requirements contained in Section 14 completed), Landlord shall be entitled

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezoning's requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause nor voluntarily permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. If Tenant exercises the Option, Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Land across any Released Premises and/or property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (collectively, the "**Adjacent Property**") to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of Tenant, and be binding upon the Landlord:

- (i) An exclusive easement for electrical interconnection purposes;
- (ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;
- (iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;
- (iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and
- (v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

29. Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

30. Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

31. Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with Kentucky Department of Transportation standards.

32. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders, members, and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. Provided, no information shall be deemed to be confidential if such (i) was known to Landlord or any of its officers, directors, shareholders, members, advisors, and employees of each of them prior to the Effective Date; (ii) is in the public domain or at any future date enters the public domain through no fault of the Landlord, its owners, employees, or agents; (iii) becomes known through the actions of the Tenant, its employees and agents, or through any other third party not associated with Landlord, or (iv) is hereafter released with the prior written approval of the Tenant. All Confidential Information shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 32; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease or to Landlord or its employees, contractors, agents or professional advisors to the extent necessary for Landlord's legitimate business purposes and to family members for their reasonable knowledge and use relating to the Property. Notwithstanding the foregoing, Landlord shall not provide or disclose any Confidential Information to any permitting agencies or other similar authorities unless Tenant has provided its prior written consent to such disclosure. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 32.

33. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience

of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

34. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

35. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

36. Estoppel. Within fifteen (15) business days after written request therefor by either party, the party receiving such request agrees to deliver a certificate to the requesting party, the requesting parties' lender (if applicable) and any proposed purchaser of the ownership interests of the requesting party (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or lender) to the requesting parties' lender or to any proposed purchaser and/or to the requesting party setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by the requesting party or their lender or purchaser. In the event the party upon whom the request is served fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

37. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Land by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons

at the time having an interest in the fee estate in the Premises and all persons (including the Lenders)having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

IN WITNESS WHEREOF, the parties hereto have duly executed this Lease under seal as of the day and year first above written.

(i) Tenant obtaining all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, storage, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Premises across any property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (the "Adjacent Property"), except any portions of the Adjacent Property located in the Do Not Disturb Area, to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Battery Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

(d) Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

(e) Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any zoning, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

29. Tenant's Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with KY DOT standards.

30. Landlord's Access. Landlord hereby reserves for itself the right to access adjoining property owned by Landlord that would not have access to a public roadway otherwise over a twenty foot (20') wide path over the Premises in a location to be determined by Tenant (the "**Landlord Access**") subject to the terms of this Section 30. Tenant shall also have the right to use the Landlord Access for the benefit of the Premises. Landlord shall only use the Landlord Access for the benefit of Landlord's adjoining property as currently being used and such access shall only commence after the Commercial Operation Date. Notwithstanding anything to the contrary, Tenant may consent in writing, such consent not to be unreasonably withheld, to Landlord's use of the Landlord Access for specific tasks of limited duration prior to the Commercial Operation Date. Landlord shall not use the Landlord Access in any manner that interferes with Tenant's operations pursuant to this Lease or enjoyment of Tenant's rights granted under this Lease. Landlord shall promptly restore any damage caused by Landlord's use of the Landlord Access. Tenant shall install a gate on such Landlord Access. After Landlord's right to use the Landlord Access commences, Tenant shall provide Landlord a copy of any key to the gate, and Landlord may use the gate but shall keep such gate closed and locked at such times as Landlord is not using the Landlord Access. Additionally, Landlord shall be solely responsible, at Landlord's sole cost and expense, for the maintenance, repair, replacement, and improvement of the Landlord Access. Landlord shall perform all such maintenance, repair, replacement, and improvement in a good and workmanlike manner that minimizes interference with Tenant's operations pursuant to the Lease or Tenant's rights granted pursuant to the Lease. Tenant, at Tenant's sole cost and expense, may relocate the Landlord Access as

desirable for the use of the Premises so long as the relocation reasonably allows Landlord continued access to its adjoining property.

31. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. All Confidential Information that is not published as public knowledge or that is not generally available in the public domain shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 31; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 31.

32. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

33. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

34. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

35. Estoppel. Within fifteen (15) business days after written request therefor by Tenant, Landlord agrees to deliver a certificate to Tenant, Tenant's lender (if applicable) and any proposed purchaser of the ownership interests of Tenant (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or Tenant's lender) to Tenant's lender or to any

proposed purchaser and/or to Tenant setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by Tenant, lender or purchaser. In the event Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

36. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor, this Lease unless it has first given written notice of such uncured

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Premises by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

WITNESSETH:

In consideration of _____ to be paid from Tenant to Landlord on or before the date _____ after the Effective Date and the rent to be paid to Landlord by Tenant, as hereinafter provided, and of the covenants and agreements upon the part of Landlord and Tenant to be kept and performed, Landlord hereby leases to Tenant, and Tenant leases from Landlord, that certain property containing approximately 98.7 acres, located at Fleming County, Kentucky, and in substantially the location set forth on Exhibit B attached hereto and all improvements, fixtures, personal property and trade fixtures located thereon, together with all other appurtenances, tenements, hereditaments, rights and easements pertaining to the property and the improvements now or in the future located thereon (the "Premises"), to be occupied and used upon the terms and conditions set for the herein. 1. Term of Lease; Extension Terms; Termination Rights; Contingencies/Due Diligence.

(a) The term of this Lease (including any extensions or renewals, the "Term") shall commence on the Effective Date and shall end at 11:59 P.M. local time on the date _____ after the Rent Commencement Date (as hereinafter defined) (the "Expiration Date"),

(b) If Tenant is not then in default under the terms of this Lease, Tenant shall have

(c) If Tenant is not then in default under the terms of this Lease, Tenant shall have

(d) Tenant's obligation to perform hereunder shall be subject to the satisfaction (or waiver) of the following contingencies (collectively the "Contingencies"):

(i) Tenant obtaining all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

(iii) Tenant's review and approval of title and survey matters with respect to the Premises, the environmental condition of the Premises and the physical condition of the Land,

(iv) Tenant's receipt of the subordination, non-disturbance and recognition agreements contemplated in Section 22,

(v) Tenant deciding to lease the Premises in lieu of other sites being considered by Tenant prior to the Rent Commencement Date, and

(vi) Tenant's review and approval of any other matters that Tenant deems relevant to determining whether Tenant's leasing of the Premises is economically and otherwise feasible.

If Tenant is unable to satisfy the Contingencies to Tenant's satisfaction prior to the Rent Commencement Date, or if Tenant otherwise determines that Tenant's leasing of the Premises is not feasible or desirable for any reason whatsoever, Tenant may terminate this Lease by giving written notice to Landlord prior to the Rent Commencement Date; provided however, that Tenant's right to terminate this Lease under this Section 1(d) shall expire upon the earlier of: (a) the Rent Commencement Date or (b) Tenant's installation on the Premises of any permanent improvements or alterations.

As part of Tenant's due diligence, Tenant shall be entitled to conduct such testing of the Premises as Tenant shall determine necessary in its discretion, including without limitation, one or more environmental audits or assessments, and to physically inspect and review the Premises, which investigation shall be of such scope as Tenant determines.

As part of its inspections and performance of the Survey, Tenant may elect to reduce the Land subject to this Lease, for any reason or no reason, for all or part of the Premises by delivering written notice to Landlord at any time and for any reason. Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("Released Premises") so long as

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the "Premises" for purposes of this Lease.

In the event that Tenant elects

such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit B as if fully set forth therein without amendment to this Lease, and that for purposes of determining the amount of rent payable hereunder, the size of the Premises as shown on the Survey shall be binding on the parties hereto.

2. Construction Notice; Construction Rent; Crop Loss Payment.

(a) Tenant shall provide Landlord notice of its intent to commence construction of the solar farm on the Premises (the "**Construction Notice**"), The Construction Notice shall include the date on which Tenant intends to commence construction ("**Construction Start Date**").

5. Alterations. Tenant shall install a fence around the perimeter of the Premises at least six (6) feet high, along with adequate security devices and signage appropriate to a solar farm where electricity is generated, and Tenant shall be solely responsible for the maintenance in good order of such

fence, security devices and signage throughout the Term. Tenant may, at its expense, make any other alterations, additions, improvements and changes (including, without limitation, removal of existing improvements and fixtures and trees and plants) to the Premises as it may deem necessary or desirable in connection with its Intended Use of the Premises, without the consent of Landlord. Such alterations, improvements, and changes may, in Tenant's sole discretion, include the cutting, removal, and sale of any timber or trees, including, without limitation, any remaining stumps, on the Premises:

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be in compliance with applicable laws. Landlord agrees to sign any permit applications, to the extent required by law, and to take all such other actions as are reasonably required to allow Tenant to accomplish any such alterations, additions, improvements and changes to the Premises, including, but not limited to, United States Corps of Engineers permits, erosion control, and tax documents. Notwithstanding anything to the contrary contained in this Lease, Tenant may withhold any rent payments until Landlord has complied with the prior sentence. Any and all improvements constructed on the Premises by or for Tenant, and all machinery, fixtures, trade fixtures, furniture, equipment, and other personal property installed or placed in the Premises by or for Tenant (including, without limitation batteries or other storage facilities, solar modules, panels, and other equipment), shall, regardless of the manner of attachment to the Premises or the improvements thereon, be and at all times remain the property of Tenant and shall be removed by it upon the expiration or earlier termination of this Lease as provided in Section 14.

6. Use and Occupancy. Tenant shall be entitled to use the Premises for operation of a solar photovoltaic power array for the generation of electric power, and a Battery Energy Storage System that will store electricity along with related equipment, vegetative cover, plants, trees, shrubs, agricultural use, fixtures, appliances, appurtenances and improvements related thereto and ancillary and associated uses (the "Intended Use") and for no other use without the written approval of Landlord, which shall not be unreasonably withheld, conditioned or delayed. Tenant agrees that no unlawful use of the Premises will be made. Landlord shall deliver sole and exclusive possession of the Premises to Tenant on the Effective Date subject only to Landlord's right to continue to farm the Premises in the current manner being farmed until the giving of the "Construction Notice" at which point Landlord will vacate the Premises as provided in Section 2. For the avoidance of doubt, the continued farming of the Premises shall be performed in such a manner as to not interfere with Tenant's rights under this Lease.

7. Insurance.

(a) Tenant shall, after its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards in commercially reasonable amounts determined by Tenant.

(b) Beginning on the Effective Date, Tenant, at its sole cost and expense, shall keep or cause to be kept Commercial General Liability Insurance (1986 ISO Form or its equivalent) with a combined single limit of at least each Occurrence and at least in the aggregate-per location, which policy shall insure against liability of Tenant, arising out of and in connection with Tenant's use of the Premises.

8. Taxes.

9. Fire or Other Casualty. In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be, Tenant may

10. Condemnation.

(a) In the event that the whole of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, or such portion thereof that, in Tenant's judgment, the remainder of the Premises is not suitable for Tenant's purposes (herein called a "Total Taking"), then

(b) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then this Lease

(c)

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

11. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

12. Default.

13. Termination of Lease. Following the expiration or termination of this Lease as hereinabove provided, or pursuant to statute, or by summary proceedings or otherwise, Tenant shall restore the Land (and any other land of Landlord impacted by Tenant's use of the Premises) to substantially its condition as of the Effective Date using prudent engineering practices where applicable, including, without limitation, the removal of all improvements and alterations to the Land or Premises (including, without limitation, all fencing, roads, solar panels and mounting, and other improvements or alterations) and any electrical or communication or other utility poles, lines and connections (unless such lines and connections are used in connection with other property owned by Landlord and Landlord elects to allow such lines and connections to remain); provided, however, that Tenant shall not be obligated to regrade the Land or any other property or replant any crops or plants. The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises or other land of Landlord.

Tenant may, in its discretion, determine the length of such period following the expiration or termination up to a period of twenty-four (24) months and shall provide Landlord with written notice of such length prior to the date that is thirty (30) days after such expiration or termination. Tenant shall pay Landlord rent for the period beyond the expiration or termination in an amount equal to the annual rent due and payable for the year immediately prior to such expiration or termination prorated based on a daily rate for the actual number of days in such extension. Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D and in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises or other land of Landlord; provided, however, that to the extent applicable laws and regulations conflict with the Template Decommissioning

Plan, Tenant shall comply with such laws and regulations in lieu of the applicable portion of the Template Decommissioning Plan

14. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises at the expiration or termination of this Lease (with all removal and restoration requirements contained in Section 14 completed), Landlord shall be entitled

15. Binding Effect; Assignment and Subletting. This Lease shall be binding upon and inure to the benefit of the parties hereto and their legal representatives, successors and assigns. 16. Indemnifications.

(a)

(b)

17. Quiet Enjoyment. Landlord covenants and warrants that as long as Tenant is not in default under the terms and conditions of this Lease (beyond any applicable notice and cure periods), it will defend the right of possession to the Premises in Tenant against all parties whomsoever for the entire Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

18. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

19. Notices; Rent Payment. All notices, elections, demands, requests, payments and other communications hereunder shall be in writing, signed by the party making the same and shall be sent by certified or registered United States mail, postage prepaid, or by national overnight courier service which provides tracking and acknowledgement of receipts, addressed to:

20. Memorandum of Lease. Landlord and Tenant agree that this entire Lease shall not be recorded. However, contemporaneously with the full execution of this Lease, Landlord and Tenant shall execute and record (to be recorded at Tenant's expense) a memorandum of this Lease in substantially the form attached hereto as Exhibit C, specifying the Effective Date, the Expiration Date, the Extension Terms granted herein, and such other provisions hereof as the parties may mutually agree to incorporate therein, which memorandum of lease shall be in form sufficient to publish notice and protect the validity of this Lease and Tenant's rights hereunder. The memorandum of lease shall be recorded in the Public Registry in the County in which the Land is located.

21. SNDA. No later than the Rent Commencement Date, Landlord shall provide to Tenant a subordination, non-disturbance, and attornment agreement from any and all current beneficiaries of

mortgages/deeds of trust, or any other holders of liens on the Land or any portion thereof, whereby such beneficiaries and lien holders agree not to disturb Tenant's rights under this Lease in form and substance acceptable to Tenant. With respect to any future beneficiary of a mortgage or deed of trust, Landlord shall request of such beneficiary a subordination, non-disturbance, and attornment agreement in such form as is acceptable to Tenant for the benefit of Tenant.

22. Governing Law. This Lease shall be construed and enforced in accordance with the laws of the Commonwealth of Kentucky.

23. Invalidity of Particular Provisions. If any term or provision of this Lease shall to any extent be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

24. Landlord's Warranties and Representations. Landlord hereby agrees with, and warrants and represents to Tenant as follows:

(a) Landlord is the owner of the Premises with full right and authority to execute this Lease and to lease the Premises to Tenant in accordance with the terms hereof;

(c) Landlord has not received any notice of condemnation, zoning change or legal noncompliance relating to the Premises;

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezonings requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

25. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

26. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, storage, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

27. Easements.

(a) Operations Easements. Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Premises across any property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (the "Adjacent Property"), except any portions of the Adjacent Property located in the Do Not Disturb Area, to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Battery Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

(d) Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

(e) Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

28. Tenant's Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with KY DOT standards.

29. Landlord's Access. Landlord hereby reserves for itself the right to access adjoining property owned by Landlord that would not have access to a public roadway otherwise over a twenty foot (20') wide path over the Premises in a location to be determined by Tenant (the "Landlord Access") subject to the terms of this Section 30. Tenant shall also have the right to use the Landlord Access for the benefit of the Premises. Landlord shall only use the Landlord Access for the benefit of Landlord's adjoining property as currently being used and such access shall only commence after the Commercial Operation Date. Notwithstanding anything to the contrary, Tenant may consent in writing, such consent not to be unreasonably withheld, to Landlord's use of the Landlord Access for specific tasks of limited duration prior to the Commercial Operation Date. Landlord shall not use the Landlord Access in any manner that interferes with Tenant's operations pursuant to this Lease or enjoyment of Tenant's rights granted under this Lease. Landlord shall promptly restore any damage caused by Landlord's use of the Landlord Access. Tenant shall install a gate on such Landlord Access. After Landlord's right to use the Landlord Access commences, Tenant shall provide Landlord a copy of any key to the gate, and Landlord may use the gate but shall keep such gate closed and locked at such times as Landlord is not using the Landlord Access. Additionally, Landlord shall be solely responsible, at Landlord's sole cost and expense, for the maintenance, repair, replacement, and improvement of the Landlord Access. Landlord shall perform all such maintenance, repair, replacement, and improvement in a good and workmanlike manner that minimizes interference with Tenant's operations pursuant to the Lease or Tenant's rights granted pursuant to the Lease. Tenant, at Tenant's sole cost and expense, may relocate the Landlord Access as

desirable for the use of the Premises so long as the relocation reasonably allows Landlord continued access to its adjoining property.

30. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. All Confidential Information that is not published as public knowledge or that is not generally available in the public domain shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 31; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 31.

31. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

32. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

33. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

34. Estoppel. Within fifteen (15) business days after written request therefor by Tenant, Landlord agrees to deliver a certificate to Tenant, Tenant's lender (if applicable) and any proposed purchaser of the ownership interests of Tenant (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or Tenant's lender) to Tenant's lender or to any

proposed purchaser and/or to Tenant setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by Tenant, lender or purchaser. In the event Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

35. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Premises by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.

(i) Tenant obtaining all necessary approvals from state, federal and local authorities required by Tenant to construct its proposed improvements and to operate the Premises for the Intended Use (as hereinafter defined),

(ii) Tenant's entering into power purchase agreement(s) and renewable energy credit purchase agreement(s) for the proposed improvements and operations at the Premise to Tenant's satisfaction,

Landlord agrees that Tenant may terminate pursuant to the foregoing a portion of the Premises ("Released Premises") so long as

The portion of the Premises remaining after any partial termination of this Lease shall thereafter be the "Premises" for purposes of this Lease, ;

In the event that Tenant elects such partial termination, the Survey (reflecting such termination) shall be incorporated into Exhibit B as if

electricity is generated, and Tenant shall be solely responsible for the maintenance in good order of such fence, security devices and signage throughout the Term. Tenant may, at its expense, make any other alterations, additions, improvements and changes (including, without limitation, removal of existing improvements and fixtures and trees and plants) to the Premises as it may deem necessary or desirable in connection with its Intended Use of the Premises, without the consent of Landlord. Such alterations, improvements, and changes may, in Tenant's sole discretion, include the cutting, removal, and sale of any timber or trees, including, without limitation, any remaining stumps, on the Premises;

Any and all such alterations, additions, improvements or changes conducted by Tenant shall be done in compliance with applicable laws. Tenant agrees that no unlawful use of the Premises will be made. Landlord shall deliver sole and exclusive possession of the Premises to Tenant on the Effective Date subject only to Landlord's right to continue to farm the Premises in the current manner being farmed until the giving of the "Construction Notice" at which point Landlord will vacate the Premises as provided in Section 2. For the avoidance of doubt, the continued farming of the Premises shall be performed in such a manner as to not interfere with Tenant's rights under this Lease.

8. Insurance.

(a) Tenant shall, after its improvements are completed, keep such improvements insured against loss or damage by fire, windstorm, earthquake and similar hazards in commercially reasonable amounts determined by Tenant.

9. Taxes.

10. Fire or Other Casualty. In the event that the Premises, the improvements thereon, or any portions thereof, are damaged by fire or other casualty during the Term, and if in Tenant's sole judgment, the damage is of such nature or extent that it is uneconomical to repair and restore the Premises or the improvements thereon, as the case may be,

11. Condemnation.

(b) In the event that a portion or portions of the Premises shall be taken under the exercise of the power of eminent domain or by agreement with any condemnor in lieu of such taking, and such taking does not constitute a Total Taking (herein called a "Partial Taking"), then this Lease,

(c)

Tenant shall have the right to participate, at its own expense, in any such condemnation proceedings and to negotiate on behalf of itself and Landlord in such proceedings; provided, however, Tenant shall not enter into any binding agreement or settlement without the prior consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed by Landlord. Landlord agrees to cooperate with Tenant and to execute such documentation as may be reasonably necessary to allow Tenant to participate in such condemnation proceedings.

12. Maintenance and Repairs. During the Term, Tenant shall be responsible, at its sole cost and expense, for the repair and maintenance of the Premises.

13. Default.

14. Termination of Lease. The removal and restoration shall be completed in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises or other land of Landlord.

Tenant shall pay Landlord rent for the period beyond the expiration or termination in an amount equal to the annual rent due and payable for the year immediately prior to such expiration or termination prorated based on a daily rate for the actual number of days in such extension. Tenant shall have all rights granted to Tenant under this Lease during the period of such extension, including, without limitation, the right to access the Premises for the purposes of complying with this Section 14. This Section 14 shall survive the expiration or termination of this Lease.

The removal and restoration shall be completed in a manner that is materially similar to the Template Decommissioning Plan attached hereto as Exhibit D and in a manner that does not materially, adversely affect the potential re-use of the Land or the Premises or other land of Landlord; provided,

however, that to the extent applicable laws and regulations conflict with the Template Decommissioning Plan,

15. Possession After Expiration or Termination. If Tenant fails to vacate and surrender the possession of the Premises at the expiration or termination of this Lease (with all removal and restoration requirements contained in Section 14 completed), Landlord shall be entitled

Landlord covenants and warrants that as long as Tenant is not in default under the terms and conditions of this Lease (beyond any applicable notice and cure periods), it will defend the right of possession to the Premises in Tenant against all parties whomsoever for the entire Term, and that Tenant shall have peaceable and quiet possession of the Premises during the Term without hindrance or molestation.

19. Waiver. The waiver by any party of any breach of any covenant or agreement herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant or agreement herein contained.

20. Notices; Rent Payment. 21. Memorandum of Lease. Landlord and Tenant agree that this entire Lease shall not be recorded. However, contemporaneously with the full execution of this Lease, Landlord and Tenant shall execute and record (to be recorded at Tenant's expense) a memorandum of this Lease in substantially the form attached hereto as Exhibit C, specifying the Effective Date, the Expiration Date, the Extension Terms granted herein, and such other provisions hereof as the parties may mutually agree to incorporate therein, which memorandum of lease shall be in form sufficient to publish notice and protect the validity of this Lease and Tenant's rights hereunder. 24. Invalidity of Particular Provisions. If any term or provision of this Lease shall to any extent be invalid or unenforceable, the remainder of this Lease shall not be affected thereby and each other term and provision of this Lease shall be valid and enforced to the fullest extent permitted by law.

25. Landlord's Warranties and Representations. Landlord hereby agrees with, and warrants and represents to Tenant as follows:

(a) Landlord is the owner of the Premises with full right and authority to execute this Lease and to lease the Premises to Tenant in accordance with the terms hereof;

(b) To the best of Landlord's knowledge after due inquiry, the Premises are free from environmental contamination of any sort and complies with any and all applicable laws, rules, regulations and recorded documents;

(c) Landlord has not received any notice of condemnation, zoning change or legal noncompliance relating to the Premises;

(d) Landlord will not institute or consent to any rezoning of the Premises during the Term (other than rezonings requested by Tenant);

(e) Landlord shall not further encumber the title to the Premises during the Term unless the encumbrance is unconditionally subordinate to this Lease;

(f) Landlord acknowledges and agrees that access to sunlight is essential to the value to Tenant of the rights granted hereunder and is a material inducement to Tenant in entering into this Lease. Accordingly, Landlord shall not cause or, to the extent within Landlord's control, permit any property then owned or controlled by Landlord in the vicinity of the Premises, or any uses or improvements thereon, to impair Tenant's Intended Use of the Premises (for example, and without limiting the generality of the foregoing, Landlord shall not cause or permit any cell towers, water towers, billboards, silos or any other structures to be placed or constructed thereon that may obstruct the sunlight that otherwise would reach the solar panels located on the Premises, or that may cast shade or shadows upon the solar panels located on the Premises or any portion thereof). If Landlord becomes aware of any potential activity on any adjacent or nearby parcel of land that could diminish the access to sunlight at the Energy Facilities, Landlord shall use its best efforts (i) to timely advise Tenant of such information and (ii) with respect to any adjacent or nearby parcel of land then owned or controlled by the Landlord, to reasonably cooperate with Tenant in taking measures to preserve the levels of sunlight at the Energy Facilities that existed as of the date of this Lease.

(g) the Land is free from any recorded or unrecorded use or occupancy restrictions or declarations of restrictive covenants;

(h) Landlord has not and, to the best of Landlord's knowledge, its predecessors in title and Landlord's tenants have not used, manufactured, stored or released hazardous substances on, in or under the Land other than the application of certain materials in the ordinary course of farming the Premises and adjoining property (such as pesticides, herbicides, fertilizer, and other agricultural material).

(i) there are no service or maintenance contracts affecting the Premises for which Tenant may be obligated or liable for;

(j) there are no delinquent or outstanding assessments, liens or other impositions levied or assessed against the Premises;

(k) except for this Lease, there are no leases, options to purchase, license agreements or other third party rights to use or possess the Land, whether written or oral, recorded or unrecorded;

(l) Landlord is not in the hands of a receiver nor is an application for such a receiver pending;

(m) Landlord has made no assignment for the benefit of creditors, nor filed, or had filed against it, any petition in bankruptcy; and

(n) Within five (5) days after the full execution of this Lease, Landlord shall provide copies of the following to Tenant: any notices of any statute or code violation pertaining to the Premises; all "Phase I" and other environmental assessment reports for the Premises in Landlord's possession or control; Landlord's most recent survey and title insurance policy relating to the Premises; any governmental permits for the Premises and any other documentation in Landlord's possession relating to the Premises.

26. Brokerage Commission. Neither Landlord nor Tenant knows of any real estate brokers or agents who are or may be entitled to any commission or finder's fee in connection with this Lease. Each party hereto agrees to indemnify, defend and hold the other party harmless from and against any and all claims, demands, losses, liabilities, lawsuits, judgments, costs and expenses (including without limitation, fees for legal counsel and costs) with respect to any leasing commission or equivalent compensation alleged to be owing on account of such party's discussions, negotiations and/or dealings with any real estate broker or agent.

27. Ownership of Solar Energy and Attributes; Tax Credits and Incentives. Landlord hereby acknowledges and agrees that Landlord shall have no ownership or other interest in (and Tenant is the sole and exclusive owner of) the solar farm and all related generation, storage, transmission and interconnection facilities (the "Energy Facilities") installed on the Premises

28. Easements.

(a) Operations Easements. Landlord hereby irrevocably grants and conveys to Tenant, for the Term, the following easements from the Premises across any property owned by Landlord or in which Landlord has a controlling interest and which is adjacent to the Land (the "Adjacent Property"), except any portions of the Adjacent Property located in the Do Not Disturb Area, to the extent such easements are reasonably required in connection with Tenant's lease of the Premises under this Lease and the operation of the Premises for the Intended Use, for the benefit of Tenant (collectively, the "Easements") which Easements shall be appurtenant to Tenant's leasehold estate, run with the Land and inure to the benefit of and be binding upon the Landlord:

(i) An exclusive easement for electrical interconnection purposes;

(ii) An exclusive easement for vehicular and pedestrian access, ingress or egress, including the right of Tenant to build roads across the Adjacent Property;

(iii) A non-exclusive easement and right-of-way for vehicular and pedestrian ingress, egress and access to and from the Land and to and from lands adjacent to the Adjacent Property, by means of (i) the now existing or hereafter constructed roads, lanes and rights-of-way on the Adjacent Property, and (ii) such additional roads as Tenant or anyone else may construct (including rights to maintain, improve, rebuild or relocate such roads) from time to time;

(iv) An exclusive easement and right to install, maintain, repair, replace and operate on the Adjacent Property multiple (A) transmission, distribution and collection cables (including fiber optic cables), conduits, wire and/or lines which carry electrical energy to and/or from the Land; (B) communication cables (including fiber optic cables), conduits, wire and/or lines which carry communications of any nature to and from the Land; (C) Battery Energy Storage System that will store electricity along with related equipment, fixtures, appliances, appurtenances and improvements related thereto and (D) other improvements, facilities, appliances, machinery and equipment in any way related to or associated with any of the foregoing, together with such rights of way as may be reasonably necessary to install, maintain, repair and operate any of the foregoing; and

(v) A temporary easement on, over, across and under the Adjacent Property, to be used as necessary for access and staging in connection with the construction, operation and maintenance of the Energy Facilities (provided that Tenant shall, to the extent reasonably possible, restore the Adjacent Property to substantially the same condition as existed prior to such use).

(b) Recording. The parties agree that the final area of the Adjacent Property subject to the Easements shall be negotiated in good faith and shall be subject to the mutual agreement of the parties. Landlord shall execute and deliver Tenant any documents or instruments reasonably requested by Tenant in recordable form to evidence the Easements, containing all the rights and privileges set forth herein, within twenty (20) days following written request therefor from Tenant.

(c) Compensation for Easements on Adjacent Property.

(d) Landlord Easements. To the extent that Landlord holds or has the right to use any access, utility, transmission, water or other easements, rights of way or licenses over lands in the general vicinity of the Land (the "Landlord Easements") on the date of this Lease, and such Landlord Easements are or could be used for the benefit of the Land, then the same are hereby included in this Lease, and Tenant shall be entitled to use such Landlord Easements to the full extent that such use is permitted under the Landlord Easements and provided that such use does not interfere with Landlord's use of the same. Upon the request of Tenant, Landlord shall grant (in recordable form and containing such terms and provisions as may reasonably be requested by Tenant and Landlord), for no additional consideration, one or more sub-easements of the Landlord Easements to run concurrently with the Term (or for such shorter period of time as is provided in the applicable Landlord Easement).

(e) Tenant Easements. Tenant is hereby authorized to grant such easements across, under and over the Premises (and/or across any adjacent property owned by Landlord) as are reasonably necessary for rights of way, ingress and egress and for the installation, construction, maintenance, repair and replacement of utility lines serving the Premises during the Term of this Lease, including without limitation any such easements required to connect the Premises to a receiver of electric power generated or stored at the Premises. Landlord in its sole discretion shall have the right to terminate such easements upon the termination of this Lease. Landlord covenants and agrees that Landlord shall, upon the request of Tenant, join in the execution of any such easement. Landlord agrees to sign any applications or other documents, and to take all such other actions, as are reasonably required to allow Tenant to obtain any rezonings, variances or other approvals required by Tenant to operate the Premises for the Intended Use.

29. Tenant's Access. Tenant, and Tenant's agents, guests, subtenants and designees shall have access to the Premises at all times during the Term. Neither Landlord nor any agent of Landlord shall, without a Tenant representative, enter upon any portion of the Premises, except in the case of an emergency. Further, this Lease shall entitle Tenant, at Tenant's discretion, to install, use and maintain a permanent gravel commercial driveway within the Premises and a second temporary construction driveway within the Premises providing access to the Premises from adjoining roads in accordance with NC DOT standards.

30. Landlord's Access. Landlord hereby reserves for itself the right to access adjoining property owned by Landlord that would not have access to a public roadway otherwise over a twenty foot (20') wide path over the Premises in a location to be determined by Tenant (the "**Landlord Access**") subject to the terms of this Section 30. Tenant shall also have the right to use the Landlord Access for the benefit of the Premises. Landlord shall only use the Landlord Access for the benefit of Landlord's adjoining property as currently being used and such access shall only commence after the Commercial Operation Date. Notwithstanding anything to the contrary, Tenant may consent in writing, such consent not to be unreasonably withheld, to Landlord's use of the Landlord Access for specific tasks of limited duration prior to the Commercial Operation Date. Landlord shall not use the Landlord Access in any manner that interferes with Tenant's operations pursuant to this Lease or enjoyment of Tenant's rights granted under this Lease. Landlord shall promptly restore any damage caused by Landlord's use of the Landlord Access. Tenant shall install a gate on such Landlord Access. After Landlord's right to use the Landlord Access commences, Tenant shall provide Landlord a copy of any key to the gate, and Landlord may use the gate but shall keep such gate closed and locked at such times as Landlord is not using the Landlord Access. Additionally, Landlord shall be solely responsible, at Landlord's sole cost and expense, for the maintenance, repair, replacement, and improvement of the Landlord Access. Landlord shall perform all such maintenance, repair, replacement, and improvement in a good and workmanlike manner that minimizes interference with Tenant's operations pursuant to the Lease or Tenant's rights granted pursuant to the Lease. Tenant, at Tenant's sole cost and expense, may relocate the Landlord Access as desirable for the use of the Premises so long as the relocation reasonably allows Landlord continued access to its adjoining property.

31. Confidentiality. All information acquired by Landlord or any of its designated representatives (including by way of example, but not in limitation, the officers, directors, shareholders and employees of Landlord, and Landlord's consultants, counsel, lenders, and the officers, directors, shareholders and employees of each of them) with respect to Tenant, including, without limitation, with respect to the terms of this Lease (collectively, the "Confidential Information") shall be used solely for purposes of negotiating and fulfilling the terms of this Lease and for no other purpose whatsoever. All Confidential Information that is not published as public knowledge or that is not generally available in the public domain shall be kept in strict confidence by Landlord and shall not be disclosed to any individual or entity other than to those authorized representatives of Landlord who require any portion of the Confidential Information to assist Landlord in its negotiation and fulfillment of the terms of this Lease and who Landlord has bound to a confidentiality agreement requiring such party's compliance with the terms of this Section 31; provided, however, that Landlord shall have the right to disclose any such information if required by applicable law or as may be necessary in connection with any court action or proceeding with respect to this Lease. Tenant shall have all rights and remedies available to it at law and in equity, including, without limitation, injunctive relief or a suit for damages, in the event of Landlord's breach of this Section 31.

32. Amendment; Entire Agreement; Interpretation. This Lease may only be amended or modified by a written instrument signed by both Landlord and Tenant. This Lease constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings relating to the subject matter hereof. This Lease may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement. The use of headings, captions and numbers in this Lease is solely for the convenience of identifying and indexing the various provisions in this Lease and shall in no event be considered otherwise in construing or interpreting any provision in this Lease. This Lease shall create the relationship of landlord and tenant between the parties. Nothing herein shall be deemed to create any partnership, joint venture, or agency relationship between the parties. Neither party shall make any representation or statement (whether oral or written) to any person or entity inconsistent with this provision. The use herein of a singular term shall include the plural and use of the masculine, feminine or neuter genders shall include all others. Time is of the essence of this Lease. This Lease shall not be binding (and not deemed an offer, reservation, or option to Lease) until executed by both Landlord and Tenant.

33. Execution by Landlord. Landlord and the undersigned person executing this Lease represent and warrant that the undersigned person executing this Lease on behalf of Landlord has due and proper authority to do so and to bind Landlord to this Lease and all terms, covenants and conditions thereof and that this Lease is a legal, valid, and binding obligation of Landlord enforceable in accordance with its terms.

34. Counterparts and Email/PDF. This Lease may be executed in counterpart or by emailing .pdf or other compressed digital files, or any combination of the foregoing. All counterparts together shall constitute one and the same Lease.

35. Estoppel. Within fifteen (15) business days after written request therefor by Tenant, Landlord agrees to deliver a certificate to Tenant, Tenant's lender (if applicable) and any proposed purchaser of the ownership interests of Tenant (if applicable), in a commercially reasonable form (subject to reasonable modification by any applicable purchaser or Tenant's lender) to Tenant's lender or to any proposed purchaser and/or to Tenant setting forth the terms of the Lease, the absence of default thereunder, and such other reasonable terms requested by Tenant, lender or purchaser. In the event Landlord fails to respond within such fifteen (15) business day period, then, in addition to such failure

constituting an event of default, all matters set forth in the estoppel certificate shall be deemed to be true, accurate and complete.

36. Leasehold Financing.

(a) Tenant, any successor or assignee of Tenant, or any holder of a sublease or license (each hereinafter sometimes referred to as an "Obligor") may at any time mortgage, pledge, or encumber to any entity (herein, a "Lender") all or any portion of the Obligor's rights and interests under this Lease or such sublease or license, in each case without the consent of Landlord. For purposes of this Lease, each entity which now or hereafter is the recipient or beneficiary of any such mortgage, pledge, or encumbrance and whose lien or encumbrance is now or hereafter recorded in the official records of the County in which the Premises is located, shall be referred to in this Lease as a "Lender".

(b) Tenant and Landlord expressly agree between themselves and for the benefit of any Lenders, that if an Obligor mortgages, pledges, or encumbers any of its rights and interests as provided in subsection (a) above, then notwithstanding any other provision of this Lease to the contrary:

(i) Landlord and Tenant will not terminate, suspend, amend or modify, or take any action causing, consenting to, acquiescing in, or accepting the termination, suspension, amendment or modification of this Lease, if such amendment or modification would reduce the rights or remedies of any Lender hereunder or impair or reduce the security for any lien held by such Lender, without such Lender's consent.

(ii) Each Lender shall have the right, at its discretion, to take, or cause to be taken, any action required to be performed under this Lease by the Obligor that is party to such Lender's mortgage, pledge or encumbrance, and any such action performed by such Lender shall be as effective to prevent or cure a default under this Lease and/or a forfeiture of any of such Obligor's rights under this Lease as if done by such Obligor itself.

(iii) The right of a Lender to receive notices and to cure Obligor's defaults pursuant to the provisions of this subsection (b) shall be available only to those Lenders which shall have notified Landlord in writing of their name and address, or whose lien is recorded in the official records of the County in which the Premises is located, regardless of whether the specific provision in question expressly so states. No default which requires the giving of notice to Obligor shall be effective unless a like notice is given to all Lenders. If Landlord shall become entitled to terminate this Lease due to an uncured default by Obligor,

Upon the sale or other transfer by any Lender of its interest in the Lease or Premises, such Lender shall have no further duties or obligations hereunder.

(iv) In case of the termination or rejection of this Lease as a result of any default hereunder or the bankruptcy, insolvency or appointment of a receiver in bankruptcy, Landlord shall provide prompt notice thereof to the Lenders. Upon written request of the Lender that is the beneficiary of the first priority security interest in the Tenant's interest under this Lease, made within forty (40) days after notice to such Lender of such rejection or termination, Landlord shall enter into a new lease agreement with such Lender, or its designee or assignee, within twenty (20) days after the receipt of such request. Such new lease agreement shall be effective as of the date of the termination or rejection of this Lease, upon the same terms, covenants, conditions and agreements as contained in this Lease for the remaining term of the original Lease before giving effect to such termination or rejection. Landlord shall have no rights to terminate such new lease based upon defaults occurring prior to the execution of the new lease. Landlord hereby agrees with and for the benefit of the Lenders that the provisions of this subsection shall survive termination, rejection or disaffirmation of the Lease, whether by default or as a result of the bankruptcy, insolvency or appointment of a receiver in bankruptcy and shall continue in full force and effect thereafter to the same extent as if this subsection were a separate and independent instrument. It is the intent of the parties hereto that any such new lease shall have the same priority as this Lease.

(c) There shall be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate in the Premises by reason of the fact that this Lease or the leasehold estate or any interest therein may be held, directly or indirectly, by or for the account of any person or persons who shall own the fee estate or any interest therein, and no such merger shall occur unless and until all persons at the time having an interest in the fee estate in the Premises and all persons (including the Lenders) having an interest in the Lease or in the estate of Landlord and Tenant shall join in a written instrument effecting such merger and shall duly record the same.

(d) Landlord shall, at Tenant's or a Lender's request, provide to Tenant and such Lender (i) confirmation that such Lender is a "Lender" for purposes of this Lease, (ii) a consent and estoppels acknowledging the Lender's mortgage or other lien or encumbrance, confirming the continuing effectiveness of this Lease, identifying any modifications hereto and any breaches or defaults hereunder, and containing such other information and agreements as Tenant or such Lender may reasonably request, and (iii) such other certificates or affidavits as Tenant, such Lender or any title company selected by either Tenant or such Lender may reasonably request. Landlord shall duly execute and return same to Tenant and/or Lender within ten (10) days of Tenant's or Lender's request therefor. Should Landlord fail to timely execute and deliver the consent and estoppel, then Tenant and/or Lender may rely on the contents thereof and the consent and estoppel shall be conclusively binding upon Landlord.
