Response to Siting Board Staff's Third Request for Information
Case No. 2022-00272

Request No. 1:

Refer to the Application, Exhibit B. The maps are not legible when the size is increased. Provide an updated site plan for the proposed project that is of sufficient quality that it is legible when the size is increased. Separate the site plan into the discrete project areas file the documents separately so they can be accessed and enlarged.

Response No. 1:

The Project assumes that Siting Board Staff requests updated versions of site plan maps submitted as part of Application Exhibit A and hereby provides the same, uploaded as separate, flattened files for accessibility.
