BRIGHT MOUNTAIN SOLAR, LLC'S SECOND
NOTICE OF LIMITED CONSTRUCTION

Comes now Bright Mountain Solar, LLC ("Bright Mountain"), by and through counsel, and provides notice that it will begin limited construction on or about October 1, 2026. This limited construction will include site preparation and construction of access roads for the solar electric generation facility, site preparation for the substation, and site preparation and tree clearing along the transmission line route. A copy of the updated designs for the access roads and transmission line route is included as **Exhibit A**. The updated designs do not include any additional parcels of land from those depicted when the Siting Board granted the Amended Construction Certificate on June 26, 2026 ("Certificate").

Letters complying with the requirements of Condition 14 of the Certificate were mailed to applicable landowners and businesses on August 31, 2026.

Bright Mountain will provide further notice and the final design layout to the Siting Board when it commences further stages of construction.
