**NOTICE OF LIMITED CONSTRUCTION**

---

Comes now Bright Mountain Solar, LLC (“Bright Mountain”), by and through counsel, and provides notice that it will begin limited construction on or about January 9, 2026. This limited construction will include site preparation and construction of access roads for the solar electric generation facility and site preparation and tree clearing along the transmission line route. A copy of the updated designs for the access roads and transmission line route is included as Exhibit A. The updated designs do not include any additional parcels of land from those depicted when the Siting Board granted the Construction Certificate on March 13, 2024 (“Certificate”).

Letters complying with the requirements of Condition 14 of the Certificate were mailed to applicable landowners and businesses on December 5, 2025.

Bright Mountain will provide further notice to the Siting Board when it commences further stages of construction.

Respectfully submitted,

---
