Re: Bright Mountain Solar, LLC

Dear Sirs:

In accordance with KRS 278.706(2)(h), enclosed please find a copy of Bright Mountain Solar, LLC's ("Bright Mountain") Application for a certificate to construct and operate on reclaimed mine land in Perry County, Kentucky, an up to 80 megawatt alternating current ("MW") solar-powered electric generating facility and a related 69 kV overhead transmission line and appurtenances of approximately 4 miles in length that will interconnect at the existing AEP Bonnyman Substation (the "Bright Mountain Solar Project").

On September 15, 2023, Bright Mountain is also tendering this Application to the Kentucky State Board on Electric Generation and Transmission Siting ("Siting Board"). The case is docketed as Case No. 2022-00274 and may be accessed through the website of the Kentucky Public Service Commission at www.psc.ky.gov/EGTSB.

Bright Mountain desires to be a constructive partner in advancing the long-term interests of your community in the years ahead. Should you have any questions concerning the Bright Mountain Solar Project, please feel free to contact Mr. Andrew House, Bright Mountain Solar's project manager, at 419.619.8873 or at andrew.house@avangrid.com.
