RE: Case No. 2022-00275
Black Mountain Utility District
Updated Supplemental Response to First Request for Information

Dear Ms. Bridwell:

Black Mountain Utility District submitted its supplemental response to the Commission Staff's First Request for Information by the stated deadline of October 21, 2021. However, that response did not include a response to Question #7.

Since that time, District Manager Mr. Grant Cooper has been able to gather the information to respond to Question #7 and has prepared the enclosed Updated Supplemental Response. This now fully completes the information requested in the Commission Staff's First Request. Thank you for your patience on this matter.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Robert K. Miller
