RE: Case No. 2022-00275
Black Mountain Utility District
Response to Second Request for Information

Dear Ms. Bridwell:

Black Mountain Utility District has received the Commission Staff's Second Request for Information and has been working diligently to comply with the request by the stated deadline of November 14, 2022. However, we have been unable to gather and review the data in time to fulfill the requirements of the request. Our staff has been stricken with another recent outbreak of the COVID-19 virus; this is particularly concerning to all of us because one of our coworkers died from the COVID-19 virus during a previous outbreak earlier this year. We anticipate that we will need an additional 30 days to submit the remainder of the responses.

Enclosed are responses to Questions #1b-d; #1g, #2a-b, #9b-c, #9e, #12a-b, #13a, and #14.

May we be permitted an extension until December 14, 2022 to fully comply with the First Request for Information to Questions #1a, #1e-f, #1h, #3-8, #9a, #9d, #9f, #10-11, #13b-c, and #15?

Please do not hesitate to contact me if you have any questions.

Sincerely,
