RE: Miller Travel Out of Country January 16-30, 2023

Dear Ms. Bridwell:

I am currently assisting several rural water utilities with their rate applications to Kentucky Public Service Commission:

2022-00275	Black Mountain Utility District
No Case #	Henderson County Water District
2022-00400	McKinney Water District
2022-00317	North Shelby Water Company
2022-00221	Northeast Woodford County Water District
No Case #	South 641 Water District
2022-00035	South Woodford Water District
2022-00129	Southern Madison Water District
2022-00160	Union County Water District
2022-00321	Whitley County Water District

I will be travelling to Israel and Jordan during January 16-30, 2023. During that time, I will have limited access to internet to communicate with and provide assistance to these utilities. It would be particularly helpful if deadlines to respond to Requests for Information or Staff Reports for these utilities were scheduled to occur prior to January 15, 2023 or after January 31, 2023.

Sincerely,

Robert K. Miller
