If the Public Service Commission approves the proposed water rates, then the monthly bill for an average customer using 3,059 gallons of water each month will increase from \$37.25 to \$44.04. This is an increase of \$6.79 or 18.23%.

The charges/rates contained in this notice are the charges/rates proposed by the Cumberland County Water District. However, the Public Service Commission may order charges/rates to be charged that differ from these proposed charges/rates. Such action may result in charges/rates for consumers other than the charges/rates detailed in this notice.

Any person may examine this application at the offices of the Cumberland County Water District Office located at 133 Lower River Street, Burkesville, KY 42717. In addition, any person may also examine the application at the Public Service Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, 40601, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Public Service Commission's website at <http://psc.ky.gov>. Any comments regarding the application may be submitted to the Public Service Commission through its website or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. The Public Service Commission can also be contacted at 502-564-3940.

A person may submit a timely written request for intervention to the Public Service Commission, PO Box 615, Frankfort, KY, 40602, establishing the grounds for the request including the status and interest of the party. If the Public Service Commission does not receive a written request for intervention within thirty (30) days of the initial publication of this notice, the Public Service Commission may take final action on the application.
