RE: Case No. 2022-00301
Big Sandy Water District

Dear Ms. Bridwell:

Please see the attached summaries for the Water Loss Surcharge Fund. The District was approved to purchase ten zone meters to create additional DMAs. Nine master meters were purchased in February totaling \$31,678.28. The District is still awaiting additional components for these meters before they can be installed. These components will be on a separate invoice. If you have any questions or concerns, please do not hesitate to contact me for further information.

Sincerely,

Jessica Sexton
