RE: Case No. 2022-00301
Big Sandy Water District

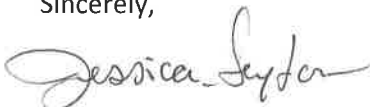

Dear Ms. Bridwell:

Please see the attached summaries for the Water Loss Surcharge Fund. At this time, the District has not received any further documentation or reimbursements from KIA. As mentioned last month, the District will file copies of any correspondence regarding the Cleaner Water Program Grant Funds within seven days of any decision or disbursement made by KIA when it becomes available.

On May 30, 2023 the Commission granted approval for the District to purchase a truck for water loss efforts for \$65,000. On July 1, 2023 the District purchased a 2023 F350 totaling \$66,558.00. Because this exceeds the limit of the approval, The District replenished the Surcharge fund \$1,558.00 out of its general fund.

If you have any questions or concerns, please do not hesitate to contact me for further information.

Sincerely,

Jessica Sexton
