Dear Ms. Bridwell:

Last month, the District received an additional 97 Mach 10 meters to continue the meter change-out program for meters that are ten years old or older. Attached is Invoice No. 010417 from NECO in the amount of \$31,913.00.

In July the District also purchased the final materials and supplies needed for the installation of ten additional zone meters throughout the system. Please see the attached invoices from Consolidated Pipe and Supply and Bowling Feed and Hardware.

If you have any questions or concerns, please do not hesitate to contact me for additional information.

Sincerely,

Jessica Sexton
