RE: Case No. 2022-00301
Big Sandy Water District

Dear Ms. Bridwell:

Please see the attached summaries for the Water Loss Surcharge Fund.

The only expenditure made in August was the reimbursement of engineering fees related to the waterline replacement project being submitted to USDA Rural Development for additional financing. The corresponding invoice and bank statement are also attached for your review.

If you have any questions or concerns, please do not hesitate to contact me if additional information is needed.

Sincerely,

Jessica Sexton
