RE: Case No. 2022-00301
Big Sandy Water District

Dear Ms. Bridwell:

Please see the attached summaries for the Water Loss Surcharge Fund. The Commission approved the District to purchase a Hydro Excavator for \$53,276.44. This amount included a state and county tax that was taken off during final payment. The District was able to purchase the Hydro excavator for \$49,675.00 after the taxes were eliminated. Attached you will find the original quote that was approved by the Commission, and the final invoice. If you have any questions or concerns, please do not hesitate to contact me for further information.

Sincerely,
